British Reviews.

Periodicals, viz—

I.—THE LONDON QUARTERLY (Conservative.)

II.—THE EDINBURGH REVIEW (Whig.)

III.—THE NORTH BRITISH REVIEW (Free Church)

IV.—THE WESTMINSTER REVIEW (Liberal)

V.—BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous tomes of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals readers must look for the only really intelligible and reliable history of current events, and as such, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

DR. LA MERT

ON SELF-PRESERVATION.

Price, with Engravings and Cases, 25 cents; by post thirty cents.

SELF-PRESERVATION, a popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of Manhood, destroy the happiness of Married Life, or prevent the fulfillment of engagement that constitute the most cherished objects of existence.

By Dr. LA MERT, 37 Bedford-square, London. Licentiate of the Royal College of Physicians of Edinburgh.

Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigor upon which the hopes of posterity depend. It also points out how all the tributes of Manhood can be preserved to advance period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions, and dangerous remedies so generally resorted to by persons, who, practicing with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The Author is the only legally qualified practitioner whose name stands on the "Medical Register" (the sole test of medical qualification), who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple, and easy mode of treatment.

At home for consultation daily from ten till two, and from six till eight, either personally or by letter.—37 Bedford-square, London, England.

Patients residing in the colonies can be successfully treated by correspondence, and remedies can be forwarded in secrecy and safety to any address.

"SELF-PRESERVATION" may be had of the undermentioned Agents, price 25 cents, free by post, 30 cents.

This remedy is just what it purports to be, a "cure for Dyspepsia." Through containing no alcohol, yet it will retain its virtues in any climate. It is highly concentrated, a teaspoonful in half a tumbler of water constitutes a dose. Among all the remedies ever discovered for these prevailing and obstinate complaints, there is none which ever wrought such great and permanent cures, or which can produce so many and unexceptionable testimonials from the recipients of its benefits. A single dose often subdues the disease, and a permanent cure rapidly follows.

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity and gives tone and energy to the whole system. It will almost instantly relieve

GRIEVING IN THE BOWELS AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, lead to death. We believe it the best and surest remedy in the world, in all cases of dysentery and diarrhoea in children, whether it arises from teething or any other cause. We would say to a mother who has a child suffering from any of the foregoing complaints—Do not let your prejudices, nor the "frequent" fathers, stand between you and a remedy which is absolutely sure—to follow the use of this medicine firmly used. Full directions for using will accompany each bottle. None genuine unless the facsimile of Curtis & Perkins, New York, is on outside wrapper.

Sold by Druggists throughout the world. Principal Office 13 Cedar Street, N. Y.
