The Secretary,
Dept of National Defence,
Ottawa, Canada.

Attn: DGCS(C)

New Design Optical Instruments

1. Forwarded herewith is a copy of a letter received from No 1 Cdn Fd Research Sec dated 5 Jul 45 and original copies of the attachments thereto. The letter and attachments are self-explanatory.
2. The responsibilities of the Overseas Invention Board do not extend to negotiations with civilians. Therefore the Board proposes to take no action. The designs do, however, look interesting and are forwarded to you for reference, to NRE or any other Government agency who may be interested.
3. A reply has been sent to No 1 Cdn Fd Research Sec advising of the action taken. Should you so desire, this HQ will act as initial intermediary in any further negotiations which may be required.
