CURLING.

BORDER CURLERS WERE DE-FEATED BY THE THISTLES.

The Thistle curlers were yesterday successful in downing the St. Stephen knoghts of the broom by a total score of 82 to 50. In the afternoon the Thistles had a comparative walk-over, but in the evening the scores were yery even, the Thistles only winning by a slight margin in each of the two rinks. A feature of the afternoon play was J. S. Malcolm's victory over J. E. Ganong, by a score of 28 to 13. The rinks and their scores were as follows:

At the conclusion of the match the visiting curlers were entertained at luncheon by the home team. At the conclusion of the dinner the president of the Thistle vlub, J. S. Gregory, in a neat speech, proposed the health of the visiting club. J. E. Ganong, the president of the visiting club, responded and spoke of the good feeling which had always existed between the two clubs. He said that they had been beaten fairly and squarely, but he hoped that on their own ice that they would be able to turn the tables. In concluding Mr. Ganong said that he would call upon F. Murchie, the vice-president of their club, Rev. G. M. Young and Mr. Klein to say a few words. Mr. Murchie expressed the pleasure it afforded him to meet in a friendly contest with the Thistles. He then congratulated the Thistle club on winning the championship cup of Eastern America. He stated that the members of the Thistle Curling Club were no more delighted over the result than were the St. Stephen curlers, Rev. Mr. Young and Mr. Klein followed in The game between Rothesay and St. Mark's in the intermediate league resulted in a win for the collegiate boys by a score of 13 to 1. The Rothesay boys played a great combination game and kept continually shooting at the St. Mark's goal, but Smith did some good work and stopped lots of almost impossible shoots. ST. ANDREWS WON FROM FREDERICTON.

FREDERICTON, Feb. 12.—St. Andrews defeated the Fredericton curiers today by three points. The game was a most exciting one, and not until the last stone was played was the match decided. Skinner was pitted against Fowler, and the latter had the last stone to play. St John was laying the shot but Fredericton was two and three. Fowler had to take out the shot, and clip and lie meant winning, the knock out meant tie. The stone was partly guarded.

Fowler, who played a grand game all through, just missed, and the result was St. John won. The playing both afternoon and evening was of the best. The result was as follows:

MARYSVILLE DEFEATS SUSSEX.

FREDERICTON, N. B., Feb. 12—In a game marked by listless play and free fights on the ice between opposing players, the Marysville crescents defeated Sussex in the New Brunswick Amateur Hockey League by a score of 7 to 2. The Marysville team took things easy. The game made the fifth successive defeat for the Sussex team which has yet to win a game.

During the first half Goggin, of the Sussex team, got his knee hurt and had to retire. Roy Robinson went off to even. Just before half time C. Goggin of Sussex and Howey of Marysville, engaged in a fistic battle on the lice and were banished by the referee for the surprisingly short period of 1 minute each. They were hardly off the ice before McLeod of Sussex and Frank Robinson of Marysville, became pugil-

THIS POKER GAME.

BOSTON, Feb. 12.—There never was a poker player who had not had "hard luck" at some time or other in his experience, but the story told by Col. Jim Butcher, of Hatcliffe, W. Va., who was a guest at the Bellevue-Stratford last evening, seems to eclipse them all.

them all.

"I was up in the West Virginia Mountains a couple of weeks ago looking after some timber and coal lands, and entered into a friendly little game with a party of mountain-eers," sail he. "If these people get suspicious of you, they do not always wait to have their suspicions verified. "It came to my turn to deal, and when I looked at my hand I found I had given myself four aces. Of course I quietly raked in the pot. As I laid down my hand, I noticed a queer look come over the faces of my opponents. Understand, I was a stranger in that locality.

THE BEAVERS.

The game between the Beavers and Bankers last evening resulted in a decisive victory for the former team by a score of 8-1. The Beavers were out to win and were strengthened by the appearance of Paterson and Barnaby. The Bankers had Ken Townsend out with them, this being Townsend's first appearance on the ice since he was the star forward in the Neptune team two years ago. In last night's game he showed up well at times, but seemed very much out of condition. The game itself was devoid of any very exciting features, but at times some fast hockey was played, and while the game was plainly won by the superior team, yet the score does not by any means represent the closeness of the game.

The teams lined up as follows: WATTS BRIDGE, Pa., Feb. 12. —

PIERCE, Kan., Feb. 12—When a wreck occurred near here last week Jerry Thomas was introduced as the man who accumulated more hard luck in one day than any other person in the United States.

Thomas was on his way to the Indian Territory, where he had bought a claim, investing every dollar he had. The train he was on was held up by a freight wreck, in which all his household goods were burned.

As he waited at the little station he got a telegram announcing that the land agent had stolen the cash for the farm. He walked up and down the platform disconsolately, and when a bystander asked him if he were in trouble, Thomas replied:

"Trouble? There's my goods going up in smoke, I've been buncoed by a sharper, in the car my wife is having a fit, at the last station my daughter eloped with a lightning-rod agent, this boy here dropped the lunch box out of the window and I've lost my tickets."
