Every farmer knows that to kill weeds he must go to the roots. To cut the weed off on the surface, means that the weed is still left to grow. It's just that way with boils, ulcers, eruptions, pimples and similar diseases of the flesh. To cure them you must go to the roots, down into the blood. Mere surface treatment never gets rid of the disease. It will come back at the first opportunity. It is its wonderful power in the purification of the blood that Doctor Pierce's Golden Medical Discovery owes many of its triumphs of healing. It cleanses the blood thoroughly, eliminating all the refuse matter and clears out the waste and poisonous particles which clog the body and so foul the flesh. It eradicates from the blood the conditions which make disease possible. The result is that diseases die out like fires that are unfed.

There is no medicine for the blood which is "just as good" as Golden Medical Discovery. Accept no substitute. The wonderful curative powers of your "Golden Medical Discovery," writes Geo. S. Henderson, Esq., of Dundas, Ont., Canada, "I had a bad bruise on my right arm, and my blood was badly out of order. I tried local doctors but with no good results. Finally, I wrote you the particulars in my case, and you advised your 'Golden Medical Discovery,' which I began to take. From the first bottle I began to feel better, and when I had taken eight bottles the sore was healed up. I wish you success."

Free. On receipt of 31 one-cent stamps to pay customs and mailing only, Dr. Pierce's Common Sense Medical Adviser, 1008 pages, paper-bound, will be sent free. For cloth binding send 50 stamps to Dr. R. V. Pierce, Buffalo, N. Y.
