#### STANDARD COMPETITION FOR BOYS AND GIRLS

Full Name \_\_\_\_\_  
Address \_\_\_\_\_  
Age Last Birthday \_\_\_\_\_  
July 30, 1915.

The Prize winner's name will appear in the Children's Corner of The Standard on August 7th.

### A Word-Making Contest

This week I have decided to let you have another word-making contest. How many words can you make out of the letters in the word "Celebration"? You must only use the letters included in the word. For example, a word like "rat" is correct, but "ratle" would be wrong, as there are not two letters "l" in the word.

To the boy or girl not over 15 years of age who sends me in the most number of correct words, I shall award a valuable story book as a prize. Each list must have Three coupons attached to it, filled in, and be sent by next Thursday, August 5th.

### WORK ON SCHOOL FOR ROTHESSAY NOW UNDERWAY

New structure will house the Consolidated Schools of the Rothesay districts.

A handsome new consolidated school building is to be erected at Rothesay. Work was started Wednesday, P. Neill Brodie is the architect, and the contracts have been awarded to Joseph Henderson, Rothesay, carpentering, masonry and painting; G. and E. Blake, heating and plumbing; James Sproul, sub-contractor in masonry. The contractors have been given until July 1, 1916, to complete the work.

The site is well chosen on the Hampton road, about fifty feet from the line. The frontage is to be 77 feet 4 inches, and depth 65 feet 4 inches, while the school is to be two stories in height, of colonial type of architecture and built of brick with stone facings. In the basement of concrete will be rooms for domestic science and manual training, the boys and girls' lavatories, and coal and store rooms. The ground floor will contain three class rooms and a teachers' room, and there will be a hall, eleven feet wide, through the centre.

On the second floor two more class rooms will be located as well as an assembly hall, 50 by 36 feet. The heating and plumbing arrangements will be most modern in every particular, while the structure will be erected of selected stock brick, with cut-stone trimmings. When completed it will be a valuable building in the midst of a growing community at Rothesay.

### STRIKE LEADER ARRESTED

Jeremiah Daley, Bayonne strike leader, was arrested by Sheriff Eugene Kirkland of Hudson county, N. J., probably put an end to the Standard Oil Company strike at Bayonne with his arrest. After exposing the strikers' leader as a faker and punching his face repeatedly with his fists he locked him in a cell on a charge of inciting to riots. He then made a speech and notified the 7,500 strikers that unless they returned to work he and one thousand armed deputies would protect any men the Standard Oil Company wished to put to work. While most of the English speaking strikers expressed a willingness to return, the foreign born strikers were stubborn, and there was a feeling that perhaps the Sheriff's efforts would not be as successful as he had hoped. Daley, the man arrested, who is a youth of only twenty-two years, admitted he was born in Austria-Hungary and was not a citizen.

### THE PICNIC SEASON

Two city churches held their annual Sunday school picnics yesterday. Both were largely attended and successful. Ideal weather greeted the pleasure seekers in the morning and continued throughout the day and the light fall of rain in the evening did not mar the pleasure of either as both picnics were then on the return home. The steamers D. J. Purdy leaving at 8.30 and the Champlain leaving at 9 o'clock carried St. Luke's Sunday school.

### THE ABSURDITIES OF SUBMARINE RUMORS

No danger to passengers on steamers coming to the Maritime Provinces.

Many persons have read of the reports and articles printed of the possibilities of foreign submarines off the coast of Maine, but it has remained for the Rockland, Me., Courier-Gazette to expose these absurd rumors.

It appears that a resident of Castine, Me., with an abnormal imagination, or indulging in a "pipe dream," lately sent a communication to Washington of supposed "islands of oil" in Casco Bay, and he jumped at the conclusion that such "islands" must be oil from submarines.

This hoax upon the American public seems so ridiculous and possibly detrimental to the coastwise steamship companies and our tourist traffic, that we reprint the following explanation from the issue of the Rockland, Me., Courier-Gazette of the 23rd inst.: "That the submarine scare is not taken seriously down that way (Castine, Me.) may be judged from the following from Tuesday's Boston Post: 'Frederick Whitney, a Boston business man and next-door neighbor of Prof. Edmund von Mach at West Brooksville, gallantly came to the German instructor's defence yesterday, declaring emphatically that the stories published in the New York papers to the effect that von Mach was suspected of acting as agent of the German government in aiding the submarine commanders in establishing a submarine base at Castine, were not only an absurdity, but states that the incident is received as a huge joke by all who are acquainted with the surrounding country.' 'The story the Post printed in this morning's paper, declared Mr. Whitney giving an interview with the Harvard professor and quoting him as saying it is absolutely preposterous, is just right. Why the whole situation is so absurd and humorous, that the report must be the laughing stock of everyone who knows the land formation on that section of the Maine coast.' 'My neighbor, the illustrious von Mach, may be charged with keeping a secret German army in his barn, but until the Imperial German government or someone else succeeds in emptying hundreds of tons of mud from Lawrence Bay, he will never be found guilty of harboring a submarine flotilla.' 'The absurd stories put in circulation of late the above explains and exposes completely and we gladly print this to the minds of our good friends the American tourists, and wish to assure them that they may visit the Maritime Provinces with every degree of safety and comfort.'

school to Crystal Beach, where a pleasant day was spent. A large band of teachers and Sunday school workers helped to make the outing all the more enjoyable for the children. The usual games, races and sports were carried out and prizes awarded the winners. The return to the city was made about 9 o'clock on the same May Queen.

St. Jude's Sunday school spent the day at Westfield Beach leaving the city on two trains, one at 9.15 and the other at 1.30 o'clock. Efficient committees looked after the welfare of the children and the outing was agreed to have been one of the best yet held by the school. During the afternoon races were held among the children and suitable prizes presented. The return to the city was made early in the evening.

### COLPITTS FAMILY REUNION THIS FALL

Arrangements being completed for the Celebration at Salisbury.

In the year 1783 Robert Colpitts came to Canada from England, bringing with him six sons and a daughter. They settled at a place on Little River called Colpitts, about seven miles from Salisbury, Westmorland county. Their descendants are now scattered all over the counties of Albert and Westmorland, as well as over various parts of the Dominion, from the Atlantic to the Pacific. Others live in Boston and in England, the total number of descendants being probably in excess of one thousand. A good many of these are expected to be present at a family gathering to be held next September. At the last family gathering, held August 25, 1910, it was agreed to meet again at the expiration of five years on Thursday, September 2 has been chosen for the reunion.

The gathering will be held at what is known as the Ralph Colpitts farm, now owned by Sherman L. Colpitts. It is situated on the Polet River, about a mile below Forest Glen. All members of the family are invited to be present. Those attending from a distance will be guests of the family. Those who can reach the grounds by leaving home Thursday morning are expected to bring baskets in old-fashioned picnic style. Dinner and tea will be taken on the grounds. Nothing will be allowed to be sold in connection with the gathering without the permission of the officers and committee. Speakers are being invited and other plans are being made to make the day a pleasant one for all who attend. Any member of the family has the liberty of inviting and bringing with him any friend who may wish to attend the gathering. The arrangements are in charge of R. R. Colpitts, Moncton, president; R. J. Colpitts, Box 330, St. John, secretary.

### WEDDINGS.

Stackhouse-McCluskey.

A wedding of much interest was solemnized on Wednesday evening at the home of the bride's father, James McCluskey, 45 Erin street, when his daughter, Ethel B., was united in marriage to Benjamin A.
