CLAIMS HER HUSBAND  
"HOGGED" ALL THE DEB

Mrs. Mary Askin, formerly  
of P. E. Island, asks abso-  
lute divorce from her hus-  
band.

Mrs. Mary Askin, of Dorchester,  
Boston, wife of William H. Askin, a  
master mason, formerly of Prince Ed-  
ward Island, is a petitioner in the  
Probate Court at Boston for separate  
support from her husband. Mrs. Askin  
claims that her husband refused to  
allow her more than six inches of  
their bed, that she was forced to sleep  
on her side, and that she has been  
treated so cruelly in other ways that  
she became desperate and thought of  
taking a dose of poison.

She received \$35 a week from him  
for four weeks after he returned from  
a business trip to Pittsburgh, then he  
gave her \$25 and then \$20, which later  
amount was not enough for her to  
pay the rent, and he said she was  
squandering money. She told the  
court she was not jealous of her old-  
est daughter.

She did not complain of her daugh-  
ter accompanying Dr. Edward Smith  
on visits. There was handclapping in  
the room and consent to the judge  
the person who "applied" was Dr.  
Smith. She denied she favored the  
doctor, a boarder at her house, when  
serving him and her husband. She  
said the doctor received the same food  
as the others. She called him "Ed-  
die," and he addressed her as "Mrs.  
Askin."

She said Mr. Askin choked her sev-  
eral times. She admitted she said Dr.  
Smith was a real man and had respect  
for women. She said it was by ac-  
cident that she met Dr. Smith while on  
a visit to Prince Edward Island to the  
farm of her father-in-law. The doctor  
drove her to the farm.

A CHILD DOESN'T  
LAUGH AND PLAY  
IF CONSTIPATED

If peevish, feverish and  
sick, give "California  
Syrup of Figs."

"Mother! Your child isn't naturally  
cross and peevish. See if tongue is  
coated; this is a sure sign its little  
stomach, liver and bowels need a  
cleansing at once."

When listless, pale, feverish, full of  
cold, breath bad, throat sore, doesn't  
sleep or act naturally, has stom-  
ach-ache, diarrhoea, retches, a gen-  
tle liver and bowel cleansing should  
always be the first treatment given.

Nothing equals "California Syrup of  
Figs" for children's use; give a tea-  
spoonful, and in a few hours all the  
foul waste, sour bile and fermenting  
food which is clogged in the bowels  
passes out of the system, and you have  
a well, and playful child again. All  
children love this harmless, delicious  
"fruit laxative," and it never fails to  
effect a good "inside" cleansing. Direc-  
tions for babies, children of all ages  
and grown-ups are plainly on the bot-  
tle.

Keep it handy in your home. A lit-  
tle given today saves a sick child to-  
morrow, but get the genuine. Ask your  
druggist for a 50-cent bottle of "Cal-  
ifornia Syrup of Figs," then look and  
see that it is made by the "California  
Fig Syrup Company."

GIRL COULD  
NOT WORK

How She Was Relieved from  
Pain by Lydia E. Pinkham's  
Vegetable Compound.

Taunton, Mass.—"I had pains in both  
sides and when my periods came I had  
to stay at home from work and suf-  
fer a long time. One day a woman  
came to our house and asked my  
mother why I was suffering. Mother  
told her that I suffered every month  
and she said, 'Why  
don't you buy a  
bottle of Lydia E.  
Pinkham's Vegetable Compound?'

My mother bought it and the next month I  
was so well that I worked all the month  
without staying at home a day. I am  
in good health now and have told lots of  
girls about it."—Miss CLARICE MORRIS,  
22 Russell Street, Taunton, Mass.

Thousands of girls suffer in silence  
every month rather than consult a phy-  
sician. If girls who are troubled with  
painful or irregular periods, backache,  
headache, dragging-down sensations,  
fainting spells or indigestion would take  
Lydia E. Pinkham's Vegetable Com-  
pound, a safe and pure remedy made  
from roots and herbs, much suffering  
might be avoided.

this great concern stamps it immediately as one of the squarest propositions ever offered the public,  
and its magnitude precludes any possibility of legitimate criticism. It is a well-known fact that high-  
grade advertising is the essence of up-to-date business methods in any line of commercialism.

ways of advertising. Some employ great artists; some
