injuries inflicted on head.

No Licenses.—The county liquor commissioners met Monday and decided that they could not issue liquor licenses in St. Martins. The applications came from Mrs. Ingraham and Mr. Kennedy. Mr. Mont. McDoneld was counsel in opposition to the granting of the licenses. The commissioners appointed George A. Mosher sub-inspector for St. Martins in place of Edwin Lewis, dismissed, and Policeman Barnet sub-inspector for Lancaster in place of Constable Taylor. The board considered applications for beer licenses and will grant them.

The Reformatorry—Attorney General White, Justice Barker, Magistrate Ritchie, Mayor Sears and Secretary John E Irvine, members of the board of governors of the Boys' Industrial Home, wisited the institution Saturday afternoon. They found the place very cleanly and orderly and were well pleased with it. Some improvements were decided on. Six additions I rooms will be making shop will be transferred to the general work room. Some sewerage pipes were shown to be broken and new ones will be laid. Some other matters of minor detail were also attended to.

New York, May 7-The United States negotiations for a suitable site and available water power are in progress. We think the venture should prove a prooftable one as the demand allower the world and Gibraltar. The Buffalo brought cruiser Baffalparrived today from Manila about 500 officers and men of Admiral Dowey's equadron. These men are mostly long term men, whose time has long run cut and are to be landed at the navy yard, where they will be dis-charged. There are also on board Pay-master John B. Maetin, Captain Dutton
