

MAJORITY OF 568 FOR W. E. SCULLY

Carleton Man Returned to Council Board in By-election Tuesday

SMALL VOTE POLLED

Lack of Interest in Civic Affairs of St. John Voters Striking—Only a Third of Those Qualified Turned Out—Vote Stood: Scully, 1578; Chamberlain, 1010.

Wednesday, June 23. Yesterday's by-election to fill the vacancy for alderman-at-large caused by the retirement of J. King Kelley, resulted in the return of William E. Scully by a majority of 568 over his opponent, George E. Chamberlain.

The day was all that could be desired so far as the weather was concerned, but despite this fact little interest appeared to be manifested in the contest as only about a third of the qualified voters exercised their franchise.

At the last civic election there were 6,485 qualified voters and about 250 names have been added to the lists since that time.

Of this number there were only 2,888 who took the trouble to go to the polls. In the minds of many people the election of ex-Alderman Scully was looked upon as practically certain, and this may account for such a slight show of interest.

The return of the west side alderman to the council board will be gratifying to his friends there, for he always took a keen interest in all affairs pertaining to the welfare of the city and was quick to grasp the details of any new matters that were brought forward.

In only two wards yesterday was there a majority against him, namely, in Dufferin and Victoria wards. In all the others he secured a handsome lead over his opponent. The result in detail is given below:

Table with 2 columns: Name and Votes. Includes Chamberlain, Scully, Brooks, Sydney, Dukes, Queens, Kings, Wellington, Prince, Victoria, Dufferin, Lansdowne, Lotne, Stanley, and Totals.

Owing to the small vote cast, the returns were all handed in to the common clerk before 5.30 p. m., and Alderman-elect Scully was receiving the congratulations of his friends.

WEDDINGS

Emery-Holland. Wednesday, June 23. There was a very pretty ceremony yesterday in the cathedral when Rev. A. W. Meahan, with nuptial mass, married Elizabeth B., youngest daughter of Mr. and Mrs. John V. Holland, of 42 Clarence street, and James Edwin Emery, son of Mr. and Mrs. Andrew Emery, of 48 Esplanade street.

The bride, who was given away by her father, looked charming in a pattern dress of honiton lace over taffeta silk, with trimmings of pearl and crystal. She wore a large picture hat of white with trimmings of ostrich feathers and carried a bouquet of white roses. Her traveling dress is of grey broadcloth with trimmings to match.

The bride was attended by her sister, Miss Lulu, who wore a princess dress of wisteria shade and a picture hat of cream with trimmings of marabout. She carried a bouquet of pink carnations.

The groom's present to the bride was a beautiful amethyst bracelet, to the bridesmaid a signet ring and to the groomsmen a pearl stickpin. After the ceremony a wedding breakfast was served and reception held at the home of the bride's parents. The rooms were prettily decorated with cut flowers.

Many handsome and valuable presents were received, among them being a chest of cutlery from the staff of Brock & Paterson, where the groom is employed. The happy couple left for Halifax on the C. P. R. and will tour Nova Scotia.

Clark-Armstrong.

A very happy event took place at the residence of Mr. and Mrs. Barnabas Armstrong, Perth (N. B.), on Wednesday, June 23, when their third daughter, Ethel Luella, was united in marriage to Rev. S. Harleigh Clark, pastor of the Reformed Baptist church at that place. The ceremony was performed by Rev. H. C. Archer, of Woodstock, assisted by Revs. Dr. Sanderson and Geo. B. MacDonald, in the presence of a large number of the relatives and friends of the contracting parties.

Miss Alice Jackson played the wedding march as the couple entered the room and took their place beneath the arch of green, the rooms having been decorated with the occasion. After the ceremony a dainty luncheon was served to the large number of guests who were present, among whom were many people who are prominent in the social life of the town of Perth and Andover.

The bride, who is one of Perth's most popular young ladies, was becomingly dressed in white silk. The groom is well known in St. John, having spent several summer months at Beulah Camp in charge of the services on the grounds after the close of the camp meetings.

The presents were both numerous and expensive, attesting to the esteem in which both are held by their many friends. The happy couple left on the express for their place of abode at Beulah Camp (N. S.), where they will spend a short time before they return to attend the camp meeting at Beulah Camp. The bride wore a traveling suit of blue with hat to match.

A brilliant society wedding took place in St. Peter's church, Rothesay, at 3 o'clock yesterday afternoon, when Miss Grace Elizabeth Robertson, daughter of the late David D. and Mrs. Robertson, of The Cottage, Rothesay, and granddaughter of the late Sir William Ritchie, who was chief justice of Canada, was united in marriage to George E. Nichols, barrister, of Halifax (N. S.).

The church edifice was very beautifully decorated for the occasion and many friends of the bride were present from St. John and elsewhere. The bride was given away by her uncle, R. B. Ritchie, high sheriff of the city and county of St. John.

The ceremony was performed by the Lord Bishop of Nova Scotia, the Right Rev. C. F. Worrell, assisted by Rev. A. W. Daniels, pastor of Rothesay. The bridesmaids were: Miss G. D. Robertson, Miss Madge Robertson, sisters of the bride, and Miss A. S. Brock, and the groomsmen were George C. Parrish, of Halifax.

The bride was charmingly gowned in white satin draped with old honiton lace, while the bridesmaids wore gowns of cream net with lilac nixon tunic overdresses, cream tregal hats with lilac ribbon and pink roses and carried bouquets of orchids and pink roses.

The ushers were: J. W. P. Ritchie and J. W. Willis, of Halifax; Percy L. Fairweather and H. P. Thornhill, of Rothesay. A handsome array of gifts testified to the esteem in which the bride and groom are held by their friends. The bridesmaids are received from the groom, gold bracelets, and the ushers were the recipients of waist coat button sets, as gifts from the bride.

Among the guests were: Lady Ritchie, of Ottawa; Miss Ritchie, Mr. and Mrs. Hazen Ritchie and Miss M. W. Ritchie, the relatives of the contracting parties being present. ROYAL STATE PORTRAITS

Found Them in Council Room of Legislative Buildings, and Declares They Are by Famous Masters—Only Slightly Injured—St. Dunstan's Church Owns Fine One, Too.

Wednesday, June 23.

J. Purves Carter, the noted English expert in art, who is spending some time in St. John, yesterday conducted an investigation at Fredericton which has produced valuable information for the province. He identified four paintings hung in the council chamber of the Government Buildings, Royal State portraits by the most famous of English painters.

"These famous works are priceless," said Mr. Carter last evening on his return to the city by the Boston train. "Two of the portraits," Mr. Carter added, "that of King George III, and that of Queen Charlotte, are by Sir Joshua Reynolds. Another is that of the Earl of Glenilg, a Scotch nobleman. This is by Graham, one of the most noted artists Scotland has produced."

"There are no government records in existence to establish the identity of these pictures, and Mr. Carter's examination has been productive of information which is new to everybody. The pictures were painted many years ago, and their identity seems to have been completely forgotten. Mr. Carter also found a painting in St. Dunstan's church which he pronounces very valuable.

Follow this advice.

Quaker Oats is the best of all foods; it is a complete food. It is recommended by Prof. Fisher of Yale University, and Sir James Crichton Browne, L.L.D.-F.R.S. of London spend the best part of their lives in studying the great question of the nourishing and strengthening qualities of different foods, it is certain that their advice is absolutely safe to follow.

Professor Fisher found in his experiments for testing the strength and endurance of athletes that the meat eaters were exhausted long before the men who were fed on such food as Quaker Oats. The powers of endurance of the non-meat eaters were about eight times those of the meat eaters.

Sir James Crichton Browne says—eat more oatmeal, eat plenty of it and eat it frequently.
