SANTA APPROVES A CHRISTMAS GIFT

Santa Claus has been down a great many chimneys since he started business, and he is intimately acquainted with a large number of people. He knows that the best kind of gifts are those which please the whole family, and which bring the excitement and enjoyment of Christmas every week. That is why he looks so jolly when he receives hundreds of subscriptions to The Youth's Companion with which to fill his pack. And, being wise from long experience, he knows that people are likely to overlook things around Christmas, so he chuckles when he sticks a Companion into the top of a stocking. "Be as greedy as you like," he thinks, "the more, the better for you."

The 52 issues of The Youth's Companion for 1926 will be crowded with serial stories, short stories, editorials, poetry, facts, and fun. Just send your order to the address below and Santa will take care of delivering the paper to your home or to the home of a friend. Subscribers will receive:

1. The Youth's Companion—52 issues in 1926, and
2. The remaining issues of 1925. All for only \$2.00.

3. Or include McCall's Magazine, a monthly authority on fashions. Both publications, only \$2.50.

F. E. ARMOUR

To the Electors of Digby—Annapolis—Clare

Ladies and Gentlemen:

I wish to express my sincere thanks to all those who gave me their loyal support and who were responsible for the magnificent victory accorded me on the 29th ultimo and elected me as their representative in the House of Commons at Ottawa.

I wish especially to thank the workers throughout the constituency for the excellent manner in which they carried on the campaign. No candidate ever had a more loyal and efficient staff of workers than those who stood by me all through the contest. Considering that I was unable to visit many of the polling districts and that I did not make a personal canvass the result is most satisfactory, and is a splendid victory for Maritime Rights which was the principal issue in the campaign.

I shall during the time I am your representative at Ottawa do everything in my power to merit the confidence you have placed in me. Again thanking you most heartily for your support, I am,

Sincerely yours,

H. B. SHORT

Digby, N. S., Nov 5, 1925 11p

CARD OF THANKS

To the Electors of Ward 2 and 17, Annapolis County, N. S.

I wish to take this opportunity of expressing my appreciation of the confidence you have shown in my efforts as your representative in the County Council. A reduction of the taxes and a good substantial balance in the Bank after all bills have been paid, speak fairly well for the business ability of the past Council, although with the advancement of civilization, modern improvement require more expenditure. Nevertheless in the incoming Council I shall endeavor to look after your interest to the best of my ability.

Yours truly,

Arthur F. Borden.

CARD OF THANKS

To the Electors of Polling Division No. 13.

I take this opportunity of most heartily thanking you for the generous support given to me in the recent Municipal contest. It is a great pleasure to me to express these feelings of appreciation to those who have so kindly supported me. Yours truly,

Clayton Zwicker
