It is now proposed to simplify the course of study in the public and high schools. It has always been a dark mystery to ordinary people why a knowledge of the rudiments of a university education was deemed necessary to the teaching of a country school, and this change will be generally welcomed.

On Sunday next the services in the Holiness Movement church will be conducted by Rev. F. McDowell, of Warburton, the morning service to be of a missionary character. Since the burning of the cheese box factory at Newboro, Mr. S. Y. Bullis' mill here has had an extra supply of cheese factories to provide with boxes, and the mill staff is compelled to work nights to fill orders. The by-law to authorize the raising of an additional \$3,000 for town hall purposes was quietly turned down by the voters on Thursday last. For a variety of reasons, but little interest was taken in the by-law, and less than half the possible vote was polled. The result was 28 for and 56 against; majority against the by-law, 38. A public meeting to discuss the whole subject would just now prove a very lively and interesting, if not profitable, form of entertainment.

Rev. J. R. Frizell, M.A., has asked to be relieved of his charge of the Presbyterian churches at Athens and Toledo, and a meeting of the Presbytery to consider his request was held at Kemptonville yesterday. For some time an affection of the throat with which he is troubled has been growing worse, and he hopes by a change of residence to our Canadian North-West to be greatly benefited. An eloquent, scholarly man, an earnest christian worker, his departure will be deeply regretted by all within and many beyond the bounds of his pastoral charges, and the hope everywhere expressed is that his health may be fully restored by the change he contemplates.

During the discussion of the new Grand Trunk Pacific Bill in the House of Commons a member of Parliament remarked how very few up-to-date maps of the Dominion of Canada were to be found. As a matter of fact, very few homes, or even school-houses, possess such a useful article. It remained for publishers of the Family Herald and Weekly Star of Montreal to take advantage of this, and it will not be their fault if every home in Canada is not soon in possession of one. One of the largest premiums this year is a large 22 x 28 in. colored map of the Dominion, with a further enlarged map of this province. It is called a Quick Reference Map, and is well named. The location and population of every town and village is seen at a glance. Every railroad route, including the Grand Trunk Pacific, is seen at once. It ought to be in every home. Every scholar should have it. The Map is only one of three valuable premiums given with that popular paper this year. The others are pictures entitled "Heartbroken" and "Hard to Choose," and are, without exaggeration, the grandest collection of premiums ever given with a newspaper at one dollar per year. That so much can be given for a dollar is marvellous.

Mrs. Massey, of Belleville, en route home from Montreal, was on Sunday the guest of her son, Mr. N. L. Massey, B.A.

Choice Nursery Stock, your own selection, to the value of \$10, may be had in exchange for wood. Apply at the Reporter office.

The annual county convention of Leeds W. C. T. U. will be held in Brookville, Tuesday, Oct. 13, when Miss Sproule, the missionary from New Ontario, will address the public evening meeting.

The Rev. F. G. Kirkpatrick, M.A., Rector of Newbyrne and Lombardy, was a visitor at the Rectory on Sunday and preached a most eloquent and practical sermon at Evensong in Christ Church.

On Friday afternoon last the barns of Mr. Delmer Kilborn, Plum Hollow, were entirely destroyed by fire. His threshing had been done and the whole harvest of the year was lost. The cause of the fire is unknown.

Dr. J. T. Wright, of Plevna, was a visitor at the Rectory during the past week and attended the Delta and Lyndhurst Fairs and enjoyed meeting his many old friends. He left for home on Saturday morning.

Anniversary services will be conducted in the Baptist church next Lord's Day. Rev. M. C. McLean, B.A., of Arnprior, will preach at 10 a.m. and 7 p.m. Mrs. J. F. Dingman, a popular gospel singer of Toronto, will sing at both services. Special offerings will be taken to apply on church debt.

Special evangelistic services will be carried on in the Baptist church each evening next week (Saturday excepted) beginning at 7.30 o'clock. Rev. Mr. McLean and Mrs. Dingman have kindly consented to remain over for a week or more to assist in this effort to win lost ones to Jesus. Come, pray, work, for "the night cometh when no man can work."

On Saturday afternoon Miss Geraldine Eyre marked the anniversary of her eighth birthday by entertaining a large number of her young friends to tea. A variety of games, gramophone music, songs, recitations, etc., filled the afternoon full of pleasure without alloy, and then followed a tea that delighted the hearts of the children. An elaborately trimmed birthday cake was the central figure of this feature of the party, and on leaving for home in the early evening each little girl was given a piece of it as a souvenir of the happy event.

The Eganville Star-Enterprise announces the marriage of Rev. J. R. H. Warren, rector of the Anglican parish at Pakenham, to Miss Charlotte Louise Hamington, of Ottawa. The bride was given away by His Excellency the Governor-General, and among the gifts was a beautiful sterling silver five o'clock tea service from His Excellency and the Countess of Minto. This marriage is of local interest, as the groom is a brother of the pastor of the Holiness Movement church, Athens, Rev. A. T. Warren.

Pushing Up Business

by pushing down prices is the one way to succeed so long as merit is not sacrificed. We think we have attained "the golden mean" by keeping up quality in pianos and giving prices a gentle push downwards. You won't think it—you'll know it when you see and hear our instruments and learn our prices.

PUBLIC WARNING

The publishers of The Family Herald and Weekly Star, of Montreal, warn the public regarding an offer made by certain papers in which another Montreal paper, with a somewhat similar name to The Family Herald, is offered in a clubbing combination. It is reported to the publishers that in some cases the offer has been accepted under the impression that it was The Family Herald and Weekly Star that would be received. The paper in question has no connection whatever with The Family Herald and Weekly Star. It is the Family Herald and Weekly Star that is offering the handsome premium pictures and large coloured map of the Dominion as premiums. The word "FAMILY" should be used when addressing that paper. This caution should have the effect of putting people on their guard.

An Ancient Foe

To health and happiness is Scrofula—as ugly as ever since time immemorial. It causes buncches in the neck, disfigures the skin, inflames the mucous membrane, wastes the muscles, weakens the bones, reduces the power of resistance to disease and the capacity for recovery, and develops into consumption.

"Two of my children had scrofula sores which kept growing deeper and kept them from going to school for three months. Ointments and medicines did no good until I began giving them Hood's Sarsaparilla. This medicine caused the sores to heal, and the children have shown no signs of scrofula since." J. W. McGinn, Woodstock, Ont.

Hood's Sarsaparilla

will rid you of it, radically and permanently, as it has rid thousands.
