"THE CLEAN AIR SYSTEM" — WHAT IT DOES

1. Warms the entire room, evenly and thoroughly.
2. Distributes nothing but fresh, clean air, warm and balmy in all weathers.
3. Forces out the poisonous, dusty, disease laden, foul air.
4. Fireproof, Sanitary, Clean Air Heater. Doors and joints are fire, gas, smoke and air tight.
5. Complete, Rapid Circulation of Warmed Air. Heats at Ceiling and Floor alike.
6. Economy—More Heat, Less Fuel; No Repair Expense.
7. Stands in a corner; adds greatly to seating space.
8. Ornamental; Makes a School Room wholesome and inviting.
9. A School Room supplied with Good, Clean Air insures good pupils; while with foul, bad air, unruly pupils.
10. Saves doctor bills, prevents bad air diseases, removes poisonous air, dust and disease germs.
11. Everlasting—Massive and Scientifically Built.
12. Simple in Construction—Easy for pupil or teacher to operate.
13. Large Water Pan close to fire gives ample humidity and balmy air.
14. Bond Guaranteeing Satisfaction or money returned. The proof of the Heater is in the Heater.
