## Electric Service

Means comfort, convenience, economy, and safety.

The home that is completely equipped with electrical devices is a happy one.

All the drudgery of housekeeping is eliminated by electricity.

You can wash, iron, sew, sweep, cook, keep cool in summer and warm in winter, by means of electrical apparatus designed especially to relieve you of unnecessary and fatiguing labor.

At our showrooms all these devices are ready for your inspection. Competent demonstrators will operate and explain them for you.

What Can Be Done With a Small Garden

THE PICTURE tells the story! In the small space available a complete greenhouse with service plant is erected, flower beds laid out, garden furniture, pergola and fencing add their touch. What could be more inviting?

And imagine how it will look when a creeper has climbed the pergola.

May we tell you what such an equipment would cost you?
