Sir,  
Referring to your letter of the 17 February last and Mr Orde's telegram of the 14<sup>th</sup> of that month relative to Mr Sherrius Farving instructor at Battleford having traded Government provisions with Indians for furs for his own use, I enclose herewith copy of a letter from Mr Sherrius on the above subject in which you will observe he makes some serious charges against Mr Orde and states that those made by Mr Orde against him were unwarranted. You will be good enough <sup>to make</sup> inquiry into the matter referred to in Mr Sherrius's letter and report the result.

Yours truly  
J. A. M. T.

Mr McNeil - Acknowledges Mr Sherrius's letter and informs him that Mr Dewdney has been written to on the subject.
