

23001-1

February 19, 1935.

Dear Sir,-

J.C.G.

Replying to your letter of the 14th instant with regard to roads on the Alnwick Indian Reserve, and your reference to a road running east and west through the reserve on a distance of about 2.29 miles, on which this Department receives a subsidy from the Provincial Government for any work performed thereon, I would ask you to kindly inform me whether the subsidy referred to is 40% of the expenditure or 50%. An early reply would be appreciated.

Yours very truly,

A. F. MacKenzie.
Secretary.
