Ottawa, August 31, 1909.

Dear Mr. Eby:

I have received your letter of the 28th instant, and am pleased to know that we share broadly the same views in regard to certain features of the proposed Peace Celebration.

I expect to be in Toronto on Wednesday next week to attend the meeting of the Ontario Liberal Association, and will be glad to have a talk with you at that time. As I shall likely be at the meeting of the Association through most of the day we could perhaps arrange to meet somewhere in the same building if that would be satisfactory to you.

With kind regards, Believe me,

Yours sincerely,

WLMK
