"ONE PRICE CLOTHIERS"

HIGH-CLASS FURS A SPECIALTY.

Oct. 10. 23.

Dear Mr. Meighen,-

I mentioned to you about trying to sell the Tufford farm to the Soldiers Settlement Board. the men who want it are are both good workers and farmers names Winch and Liddle, This farm is as you know real good heavy land lots of building, over 200 acres broken and 165 acres well summerfallowed. haveing been plowed. Culitvated five times and harrowed twice, in great shape for them to get away and they are anxious to get it.

Perhaps you would phone the Chairman of board, this is good land without any question. and is good buying for them but of course as you know we are all hard up here for real cash clothing is my line not farmers, so that I am very anxious to sell.

Yours Truly
