

23^d June 6

Sir

I have the honor to acknowledge the receipt of your further letter of 10th instant, on the subject of the commission of one per cent paid by this Department to the Bank of Montreal and others for carrying vouchers in the north west Territories and stating that in order to avoid the payment of such large amounts for commission you would have no objection to granting credits to Agents to enable them to pay such accounts as cannot be paid directly through the Indian
