

Number.	Company.	CAPACITY IN KILOGRAMS.			Current.	Kilowatts.	Method of charging.	Application of product.
		Work- ing.	Not work- ing.	Build- ing.				
	<i>Heroult System*—</i>							
1	Stahlwerk, Richard Linden- berg, A. G., Remscheid- Hasten, Germany.....	1,800			Single-phase alternating current.	400	Molten met- al from O.H. furnace, also cold charge.	Tool steel, structural steel.
2	" " " " " "	3,000			"	520	"	war materi- als.
3	Bismarckhütte, Upper Sil- esia, Germany.....	1,800			"	400	"	War materi- al, high sil- icon dynamo
4	" " " " " "	3,000			"	540	"	steel, loco- motive tires.
5	Mannesmannröhren Werke, Burbach, Germany	3,000			"	570	"	Drawn tubes steel cast- ings.
6	Gewerkschaft "Deutscher Kaiser," Bruckhausen, Germany.....			6,000	"	800	Cold and molten open- hearth metal	Drawn tubes, rails, med- ium quality, all kinds.
7	" " " " " "			6,000	"	800	"	Tool steel, structural steel.
8	Gebr. Böhrer & Co., A. G., Kapfenberg, Austria....	2,500			"	400	"	war material Rolled wire.
9	Kärntnerische Eisen und Stahl-Werks-Ges., Fer- lach, Austria.....	5,000			"	765	Cold charge.	Dynamo stampings, and fine sheets, steel castings.
10	Brüder Lapp, Rottenmann, Austria.....	6,000			"	785	"	Drawn tubes
11	Georg Fischer, Schaffhaus- en, Switzerland.....	1,200			"	250	"	Steel cast- ings.
12	Società Tubi Mannesmann, Dalmine, Italy.....			6,000	"	765	"	Drawn tubes
13	" " " " " "			6,000	"	765	"	"
14	Soc. Electrométallurgique Française, Froges, France	2,500			"	490	"	Tool steel.
15	Acieries du Saut du Tarn, St. Juéry, France.....	5,000			"	500	Molten open hearth metal	"
16	Usines Métallurgiques du Hainaut, Couillet, Bel- gium.....			5,000	"	400	"	Steel cast- ings.
17	Edgar, Allen & Co., Shef- field, England.....			2,500	"	400	"	Tool steel.
18	Vickers, Sons & Maxim, Sheffield, England.....			2,500	"			
19	Obuchoff Steel Works, St. Petersburg, Russia....	3,500			"	660	Molten open hearth metal	Ship'lding.
20	Aktiebolaget Heroult Elec- triska Stal, Korfors, Sweden.....	3,500			"	400	Cold charge.	Tool steel.
21	Holcomb Steel Company, Syracuse, N.Y.....	5,000			"		Molten pig iron.	"
22	Firth-Sterling Steel Com- pany, McKeesport, Pa...	2,500			"		Molten O.H. metal.	"
23	" " " " " "			5,000	"			

*Besides the pig iron production from three Héroult furnaces working at Welland and Sault Ste. Marie, Canada, and Héroult-on-the-Pitt, California.
