HELPS OVER HARD PLACES.

27. THE SEVEN DAYS.—High it took to complete the vow (Num. 30: 10). This was the fifth day. JEWS OF ASIA—the small province of Asia of which Ephesus was the capital. The Jews had circumcised Paul in Ephesus for three years; knew him and hated him. IN THE TEMPLE—the court called—the court of the women, because women were forbidden to enter. Here was the usual place of worship, and the room for the sacrifices. 28. BROTHER GREEKS—ALSO INTO THE TEMPLE—i.e., into the inner court beyond the court of the Gentiles. On the low balustrade which separated the court of the Gentiles from the court of the women, Paul stood and began to speak. He was standing on the court of the Gentiles to be seen by all. 29. BROTHERS—who had come with Paul as a delegate to bring the contributions of the churches (Acts 20: 4). DREW HIM—drew out of the temple—the court of the women. THE JEWS WERE SILENT—so great was the gate beautiful, 60 feet high, and made of Corinthian brass. This was to keep the sacred things from the mob. 31. THE CHIEF CAPTAIN—Claudius Lycias (Acts 21: 29). He was captain of one thousand men, which was the number of cohorts. This was stationed in the Castle of Antonia, which adjoined the temple, and was the Roman guard of Jerusalem. 32. 1. ESTABLISHED—of the court of the Gentiles to the court of the women. 3. BY THE HANDS—of a soldier each side of him. 35.—THE STATES—which led from the court of the Gentiles to the end of the corridor leading to the castle. 38. THAT EGYPTIAN—An Egyptian false prophet, who, about 1400 B.C., had led the Israelites to the Mount of Olives. They were dispersed by the Romans, but the Egyptian escaped.

QUESTIONS.

INTRODUCTORY.—Why was Paul in Jerusalem? With whom did he lodge? What slanders were uttered against him? How did he try to refute these slanders? When did the events of this lesson occur?

SUBJECT: SUFFERING FOR JESUS' SAKE.

1. PAUL ASSAILED BY A MOB (vs. 27-30).—What seven days are referred to in vs. 27 (Num. 30: 10)? What was Paul to do in the temple? In what part of the temple? Had he a right there? Who noticed his presence here? Were these Christian Jews or unbelievers? It is probable that the Christian Jews were satisfied with Paul's answers to the slanders uttered against him? How would these Jewish Jews know Paul? Why would they hate him? What was the first charge they made against him? Was it true? What was the second charge? Was it true? Into what part of the temple were the Gentiles forbidden to enter? What was the penalty of entering? How does this compare with the rate one of Christ's sayings? (Matt. 23: 23, 24). What did they do to Paul? (v. 32). What did they propose to do? Where was he taken? What doors were shut?

2. THE RESCUE (vs. 31-35).—Who guarded the temple? In what castle did they have their barracks? The name of the chief captain (Acts 21: 28). How did he rescue Paul? How was Paul bound? What questions did he ask? What did he do? How did he do it? Up what stairs was Paul carried?

3. PERSECUTION SPIRITING THE GOSPEL (vs. 36-40).—What favor did Paul ask of Lycias in word and tongue? Whom had the chief captain supposed Paul to be? What can you tell about this Egyptian? What was Paul's description of himself? Was permission granted Paul to speak? What language did he use? Why? Who were Paul's audience? Could he, except thus guarded by the Romans, have preached the Gospel to these Jews? What promise was here fulfilled? (Rom. 8: 28). Whom of the Beloved's did he now enjoy? Did this suffering man love Jesus more? Do we ever suffer for Jesus' sake?

PRACTICAL SUGGESTIONS.

- I. Many good persons are slandered by imputing to them our own impressions and inferences from what they do.
II. The world notices the company we keep.
III. The Lord enables his people to be calm even in a stormy hour.
IV. Envy, hatred, persecution, call the attention of the world to the truth.
V. Blessed are they that are persecuted for Christ's sake.
