The Horse Show at Ottawa will be cancelled next spring as the result of the European war, according to Mr. T. C. Bate, president of the association Unless peace has been restored in the meantime the local executive will emulate the example of the New York and London associations, and officially call off their annual competition as soon as it is conven-

"Shag" Shaughnessy is not afraid of work. After spending all afternoon with the McGill football squad he has contracted to whip the Winged Wheelers into shape in the evenings. The Collegtans will only require tuning up as most of last year's team will be AMERICAN RAILROAD EARNINGS back, but the M. A. A. A. team will have to be built from the foundation. It is a big job but it is to be hoped that the association will at last have a te worthy of the place the M. A. A. A. holds in Canada.

AROUND THE CITY HALL

Mayor Martin Takes Quarrel With Controller Mo Donald Seriously and Refuses to Sit on Board.

Mayor Martin again refused yesterday afternoon to attend the meeting of the Board of Control. The most every road included in the statement shows New York City's \$100,000,000 loan their administrative duties and disposed of the usual usually very slight. Practically all the leading systhat he would never take his seat again at the Board due to the embargo placed on exports at the pegina schemer. This Mr. McDonald thus far declined to suffered from the same cause to some extent, because do, and a kind of deadlock exists between the Board of its effect on the shipments of cotton. In the folof Control and the city's Chief Magistrate.

The members of the Board of Control forwarded to the Bank of Montreal yesterday the resolution adopted by the City Council appointing the bank the city's financial agent for the coming five years as well as a statement of the amount of money the city needs to meet its obligations till the end of the year. This sum is slightly under \$6,000,000. Further negotiations will likely ensue as to the sum the bank is prepared to advance, as it is understood nothing but the most urgent requirements will be provided for by the temporary loan.
A general fee

the City Hall by the fact the Bank of Montreal had been again chosen to be the city's financial agent in the money markets. Attention was drawn to the large vote polled in the City Council in favor of adopt the controllers' report, which was

Controller Hebert, who has worked hard for the ratification of the report of the controllers, remarked yesterday that it would have been a good thing for liner Hamburg, was to have begun her voyage to-day, the city if the Bank of Montreal's appointment as defined in the new agreement had been adopted some Germans, and her departure was delayed after the

St. Nazaire Would Take Its Place if Necessary. No Through Tickets to Paris.

eptember 9.-It was announced at the offices of the French Line Saturday that Havre was still an open port, and that so far as is known there is no intention of closing the port to ships from New York. The French Line officials said, how-

said that the French Line steamships would land at Havre unless the German army continue to land at Havre inless the German army advances to the line extending from Havre to Paria. If the Germans should make such advances the French Line ships would then dock at St. Nazaire, an important shiphuilding city at the mouth of the Loire

BLOCKADING GERMAN FLEET EASIER LIFE THAN MANOUVRES

of Their Efficiency in Regular Mails and Little Food Luxuries.

"Somewhere in the North Sea." These five words ays the naval correspondent of the Liverpool Mercury, have for many days summed up all that has been known about our Navy outside Whitehall. Rigpeditionary force, it is nothing compared with the extraordinary reticence of the "powers that be" as to what has been going on in what used to be the Fleet's favorite manoeuvre area. It is to the credit of the anxious people ashore with relatives friends in the hidden fleet, that there has been very It looked for a while there last week as though little grumbling about the silence. The necessity for the Royals might climb out of seventh position to guarding the Navy's secrecy has been loyally acceptwhich they have clung so consistently all season, for ed as one of the supreme conditions of the period which they indicate dropping games as fast as they and the fleetmen's families have settled down to wait could play them, the Royals were winning, a few. and hope. How many people are intimately concern-However, the Indians took a brace yesterday and made ed in the Armada in the North Sea it would be hard an even break with the Greys, while the Royals, after to say, but they must include thousands in all parts

Not so much news comes from the Fleet as at first of the struggle going on at the top of the heap both Fat postbags go out to it; thin ones come back. It this and the National, little attention will be paid is satisfactory to know that so regular is our comto the squirming down below. Even the Skeeters' munication that not only does Jack get his letters double win over Baltimore goes almost unremarked from home pretty regularly and without much delay, when Rochester ties another knot in first place by but also newspapers, and even, in moderation, parcels. Arrangements are being made for a plentifu supply of literature to beguile the tedium of life at The Brayes made five times as many hits as the sea minus shore leave. Another good thing is that Giants yesterday and more than twice as many runs our Fleet gets its supply of food as usual. The ships, and for the third time in the week ran into first of course, are well stocked with the ordinary naval place. Marquard was easy, nine hits and six runs rations, but the Admiralty have been able to supple being made off his delivery in four innings. Fromme ment these with regular supplies of those little lux-and Wiltse also contributed. On the other hand, James, whose first name is "Bill," was as hard to Jack afloat. As fighting men go, our seamen are solve as his namesake, Henry. Three hits, one each well fed on the service rations, or what Jack calls "bare Navy"; but what has pleased our fleetmen most has been that the canteens have been kept stocked with extras. Two things have enabled this

> Thus, the Navy's first reward for its efficiency that it gets its jam regularly. For the rest, life goes on very much as usual. It has been, to quote one phrase I have hear dapplied to it, "easier than manoeuvres so far." But it is weary work waiting for an enemy unwilling to come out and fight. Many people ashore have been asking. Ingenohl come out and make a dash for it?" The answer is that waiting is an easy game to play, and that while the German Fleet is intact and within reach of the Baltic, Russia cannot invade Germany by sea. But it is no good to speculate on the Ge man High-sea Fleet's inaction. They may make their desperate sally at any moment, even while these lines are bing written and while the German Army is "hacking its way through" in France Whenever it may be, our men are ready, aye ready to do as Drake's men did at Cadis and up the Channel, or as Nelson's did at Copenhagen, the Nile, and

Imost Every Road Included in the Statement Show Some Falling Off-Where Gains is Reported it is Usually Very Slight.

Partial returns of gross earnings for August of the Dun's Review aggregate \$27,324,833, a decrease of 4.8 per cent. as compared with the earnings of the same roads for the corresponding period a year ago. Alfour other members of the Board, however, continued some falling off, and where a gain is reported it is ount of business on hand. Before leaving the City tems in the southwest and west reflect in their earn-Hall, Mayor Martin repeated a former declaration ings the light movement of grain early in the month unless Controller McDonald apologized for calling him ning of the war while the roads in the south also lowing table are given the gross earnings of all United States railroads reporting to date for August, and the loss as compared with the earnings of the same roads for the corresponding month a year ago; also for the roads that reported for the two preceding months, together with the percentages of loss compared with last year:
