Persons living on the interest of their money can easily get eight per cent. on first-class security.

Tenant Farmers with Limited Capital

Can Buy and Stock a Freehold Estate, with the money needed to carry on a small farm in Britain. Good cleared land, with a dwelling, and good barn and outhouses upon it, can be purchased in desirable localities at from £4 to £10 Sig. per acre. Farm hands can readily obtain work at good wages. Among the inducements offered to intending Emigrants, by the Government, is

A FREE GRANT OF LAND

WITHOUT ANY CHARGE WHATSOEVER.

Every head of a family can obtain, on condition of settlement, A FREE GRANT OF

TWO HUNDRED ACRES OF LAND

For himself, and one hundred acres additional for every member of his family, male or female, over eighteen years of age.

All Persons over 18 years of age can obtain a Free Grant of 100 Acres.

The Free Grants are protected by a Homestead Exemption Act, and are not liable to seizure for any debt incurred before the issue of the patent, or for twenty years after its issue. They are within easy access of the front settlements, and are supplied with regular postal communication.

Registers of the Labor Market

And of Improved Farms for sale, are kept at the Immigration Agencies in the Province, and arrangements are made for directing emigrants to those points where employment can be most readily obtained. Several new lines of railway and other public works are in course of construction, or about being commenced, which will afford employment to an almost unlimited number of laborers.
