TIRE CHAINS

Blinding storms, rain, snow, icy roads, sharp curves and—then come skidding accidents galore.

One such accident may cause loss of life or, at any rate, car damage that will cost considerably more than the price of tire chains.

Dreadnaught Tire Chains not only prevent all skidding accidents, but furnish the increased pull and grip necessary to ram through mud, snow, and slush.

They are well made, strong, durable and rust proof. Guaranteed to give more service at less cost than any other chain on the market. Get a set from your supplyman, and remember, "Dreadnaught" will make good—or we will. Write for price list and descriptive circular.
