

**I Cured My Rupture
I Will Show You How to Cure Yours FREE!**

I was helpless and bed-ridden for years from a double rupture. I wore many different kinds of trusses. Some were tortures, some positively dangerous, and none would hold the rupture. The doctors told me I could not cure it without a surgical operation. But I fooled them all, and cured myself by a simple method which I discovered. Anyone can use it, and I will send the cure free by mail, postpaid, to anyone who writes for it. Fill out the coupon below and mail it to me to-day.

T. H. HASSARD'S NEW IMPORTATION
Mr. T. H. Hassard, late of Millbrook, now of Markham, Ont., has lately returned from Scotland with an importation of 25 head of Clydesdale stallions and one Hackney stallion. Before leaving for Scotland, Mr. Hassard said he was going to bring over the best lot he ever imported—and he has kept his word. We very much doubt if ever before was there a lot of Clydesdales imported to Canada by any man or firm the equal of this lot. True, they are not all world-beaters, but certainly there are a number of exceedingly high-class horses; horses that when made up will weigh up to 21,000 lbs., of superb mould and on faultless bottoms. We must say that parties visiting Hassard's barns at Markham will see as perfect specimens of Clydesdale ideality as the breed produces. And on breeding lines, while they are bred in the purple, particular attention was paid to keep as far as possible from injudicious inbreeding. A synopsis of the breeding of a few of them we give below. Deserving of first mention is the brown eight-year-old, Golden Gleam (11730), by the great sire Gold Mine; dam by Royal Alexander. Few horses of the calibre of this one has ever been imported. In condition he will easily weigh a ton, with superb quality and character throughout. The district that gets his service will be fortunate. He is a high-class sire and very sure. Brave Nelson (12872) is a black five-year-old, by Prince Tom; dam by Raiburn. He is a massive, big, thick horse, on the best kind of underpinning, a duplicate of the double champion, Right Forward. Prince Togo (13146), a brown seven-year-old, by Prince Robert; dam by William the Conqueror, is a horse which, when in condition, will weigh 2,150 lbs. Combined with that is smoothness and quality, topped off with style and character. He is a proven sire of sterling worth. Carcellus (14548) is a brown five-year-old, by Marcellus; dam by Prince of Caruchan. Here is a great show horse; a cracker from top to bottom; a horse that will bear the closest inspection. Admiration (12797), a brown five-year-old, is a full brother to the champion, Labori, got by Hiawatha; dam by Craichmore Darnley. He is up to a ton in weight, smooth to a turn, and full of quality; a show horse all over. Dunure Nikko (14102) is a brown two-year-old, that in Scotland this year, at the Highland, beat the Toronto champion, Landsdowne, sired by Hiawatha; dam by Prince of Albion; g-d. by Top Gallant; breeding unexcelled, and a coming champion. Baron Midscat (14001) is a bay three-year-old, by Baron Solway; dam by Midscat Prince. Here is something very choice, smooth, even and stylish, on a perfect bottom; a show colt of a high order. These mentioned are only representative of the lot. In age there are one 8 years old, one 7 years old, one 6 years old, three 5 years old, three 4 years old, seven 3 years old, nine 2 years old, and one 1 year old. Many of these were winners in Scotland, and are capable of winning here. A dozen or more of them will be on exhibition at the Horse Show at the West Toronto Stock-yards on January 13th, 14th and 15th. Inspection is invited, as Mr. Hassard is not afraid of comparison when condition is taken into account. They are for sale at reasonable prices, and on terms to suit. The Hackney stallion brought out was Helbeck (9268), a seven-year-old chestnut, by the great sire Ruby; dam by Cadet. For two years this horse was at the head of the great Morton Stud, which speaks for him a recommend unassailable. He has grand all-around action; and style galore. Other Hackney stallions on hand are the Toronto champion, Marion Cassius (10032), Atwick Astonishment (9101), Flat Top Swell (8474), Croome Swell (9540), Norbury Chieftain (9361); and the Hackney pony stallions Royal Review (10033) and Eastwood Toff (10031), also the Hackney pony filly, Little Clip (18834). All these are for sale at easy prices, as Mr. Hassard intends going out of Hackneys. They are a choice lot, and sure to please on inspection.

Paul, at the age of four, was asked one morning by his papa, "What is the name of the first meal of the day?"
"Oatmeal," responded little Paul, promptly.

Dr. McLaughlin: Dear Sir,—One year ago last February I was taken with Nervous Exhaustion (the doctors pronounced it). I suffered all the tortures of that disease; was all run down, so weak I could hardly do anything at all. Since I began to use your Belt there has been a marked improvement in my condition in the different ways mentioned. I have slept well every night since wearing your Belt, which is one of the greatest blessings of mankind. I have a great deal more ambition; work used to seem such a mountain, now it seems more a pleasure; more strength and vim; memory better; digestion better; constipation about gone, which I was bothered with a great deal; head feels better, and I feel far better in every way. Yours truly, **NELSON ROSE, South Bay, Ont.**
