Little Helen, just three, who is a great talker, was annoying her father by her chatter. He was endeavoring to finish some important writing, so said: "Run away, dear; papa is very busy." Helen toddled off, and after the space of about five minutes, returned, and standing beside her father's chair, laid an appealing hand on his arm, and, looking up into his face with a most grievous air, said: "Papa, I've very lonely; I can't find anyone to leave myself wif."

THE CLYDESDALE RECORD.

Volume 18, of the Clydesdale Stud-book of Canada, published by the Clydesdale Horse Association, as compiled and edited in the office of the Canadian National Live-stock Records, Ottawa, has reached this office. It is a substantial and admirably printed book of over 1,100 pages, indispensable in the library of breeders of the Scottish draft horse. To realize the healthy progress of the breed, it is only necessary to compare this volume with that of the previous year, which it nearly double in size. This fact considered with the progress of other breeds of horses is indicative of the remarkable growth of the country in all branches of farming and in railway construction and lumbering, which absorb such large numbers of heavy horses.

POPLAR LODGE BERKSHIRES AND SOUTHDOWN.

Near Kettleby, in King Township, within easy reach of Aurora or Schomberg stations, is the old and well-known stock farm, Poplar Lodge, the property of Simeon Lemon, Kettleby P. O., Ont. Mr. Lemon is one of the first Canadian breeders of Southdown sheep and Berkshire swine, both of which breeds, under his careful attention and selection of breeding stock for over a quarter of a century, have reached their greatest perfection. Mr. Lemon is not a show man himself, preferring to fit his stock properly and sell them to others whose tastes lie in the show-ring business. This he has been doing for a great many years, and very many of the great winners in Southdowns and Berkshires were bred by him, but not always credited to his superior craft as a breeder and fitter, the exhibitor in all cases of the smaller animals, such as sheep and swine, getting the credit. Just now he has on hand a superior lot of both the breeds, shearing rams and ewes, ram and ewe lambs of the highest types of the breed, young boars ready for service, and young sows of breeding age, as well as a number of younger ones of both sexes. Write Mr. Lemon your wants in Southdowns or Berkshires. He will use your right and ship just what he agrees.

CHESTER WHITE SWINE, SHROPSHIRE AND DORSET SHEEP.

High-class type and quality of a degree never before equalled in the herd during its many years existence, is the status of the choice herd of Chester White swine, the property of W. E. Wright & Son, of Glanworth, Ont., a few miles south of the city of London. The following are just a few of his present breeding animals: Stock boar, White Boy 6477, second at Toronto and London in 1910; third at Toronto, 1911. Ascot Lad 6738, first at Toronto in 1911 in the yearling class. Breeding sows, Sally Ann 5790, first in aged class, Toronto and London, 1910; first and champion, Toronto, 1911. Three of her daughters under six months, at Toronto this year were first, second and fourth, and a half-sister of hers at Toronto this year was second to her in the aged class, in all of which the remarkable evidence of type and quality of the strain is shown. Minnie 6592, under two years, was first at Toronto this year, and last year was first and champion at London. Beauty 6591, her full sister, was third at Toronto this year in the same class. Queenie 7363, in the yearling class, was third at Toronto. From such high-class stock as this, for sale, are a large number of both sexes, many of them of breeding age, orders being booked and selections made as orders are received. In the Shropshire and Horned Dorset sheep, the same high-class quality prevails, due to careful selection of breeding stock. In the two breeds, Mr. Wright is always to be found at the leading shows. High-class animals are always for sale on his farm.
