# The Provincial Wesleyan.

## Probincial Mesleyan. WEDNESDAY, AUGUST 7. 1861.

In consequence of the official relation which this paper sustains to the Conference of Eastern British America, we require that Obituary, Revival, and other notices addressed to us from any of the Cironits within the bounds of the Connexion, shall pass through the hands of the Superintendent Minister. Communications designed for this paper must companied by the name of the writer in confi er in confidenc We do not undertake to return rejected articles. We do not assume responsibility for the opinions 

## A Reasonable Request.

No Christian Minister whose heart is in his work can lightly esteem his office, or suppose acquaintance with the world enlarges, he beholdneed of skill and patience to reap them such as he knows from experience that he is but imperfectly fitted to employ. The more he does, the less does it seem to be, in comparison with what is left undone. The longer he lives the more he desires

and calleth for him, it is not on the seat of indo- Iy successful. lence or in the bower of pleasure that he is found, but on the well-fought field ; still labour- | To the Editor of the Provincial Wesleyan

the pressure of disease or the infirmities of age mise, are prolific of controversies. It may be tion of the other." armies of Israel

the prosperity of the Lord's cause and people; ally attaches itself to any man who revives the language he employs ! their sufficiency is of God." they well know operation. For the exhibition by the church of long, but importunately plead. What word of remote Missionary, or is so often uttered by the Pastor among his own people, or so generally and be glorified."

That inspired sentence contains a reasonable request, and one which though often urged upon our people, has probably been reiterated with of our congregations, during the past few weeks. For even subjects of abiding importance may ing the arguments in my sermon. Of anything the man from whom it emenated ! occasionally derive additional weight and value inconsistent with fairness and honesty I believe which may arise in connection with them.

Among us of late, in many instances, the eve of the evangelist has for the first time glanced the ceaseless ages of eternity. His heart still quences of acknowledged premises, is certain. author of the Sermon, or his reviewer. to exist, whose issues shall be felt throughout throbbing with the excitement consequent upon the severance of ties the most sacred and tender, that infants are damned-that there will be no have known that they were spoken of only as now yearns with indescribable feeling over his that infants are damned—that there will be not the logical deductions resulting from the admis-
