NUTRITIOUS Condiment for Horses and Cattle !!

Important to every man who keeps a Horse, Cow, Ox, Pig, Sheep, or Poultry.

THE NORTH BRITISH CATTLE FOOD COMPANY

London. Dublin. Glasgow. Montreal. Gold Prize Medal Awarded, London Exhibition, 1862, Honorable Mention, Halifax, 1874.

Halifax, N. S. The best and most economical Food for Horses and Cattle in existence. The Nutritious Condiment is used in the Stables of Her Majesty the Queen, H. R. H. the Prince of Wales, the Nobility and Gentry of Great Britain, and the principal Crowned Heads of Europe.

Advantages derived from using the Condiment. It will coax the most impaired appetite. It cures cold and influenza and puts horses in condition when other means fail. It ensures perfect digestion, and makes pure blood. It puts Horses and Cattle in good firm flesh. It infuses new life and vigor, and prevents and cures colic. It gives horses a fine soft skin and smooth coat. It cures foal and calf scours and puts horses in condition when other means fail. COWS will be equally improved in health and appearance; and give more and richer milk. OXEN fatten quicker and work better for its use. PIGS fatten in half the usual time, and the bacon is sweeter and better. CALVES and POULTRY are also greatly benefited by its use. It effects a saving of TWENTY-FIVE PER CENT. in the cost of feeding. Pamphlets with local certificates, sent free on application.

READ THE FOLLOWING TESTIMONIAL FROM PAYMASTER GOOLD.

Halifax, N. S., 9th June, 1879. DEAR SIR,—My cow having been under the effect of lead poisoning, has been successfully treated by Mr. Byrne, Veterinary Surgeon, and having become much emaciated from its effects, was induced to try your "Nutritious Condiment." The results have been most satisfactory. After using the Condiment for a short time, she has not only regained her usual tone, but instead of only a few quarts of milk daily, she is now yielding fourteen and the quality much richer, and we have plenty of cream for butter, and other purposes. I do believe the Condiment to be everything that is claimed for it; and can recommend it with confidence to others.

THE SUN FOR 1879.

THE SUN will be printed every day during the year to come. Its purpose and method will be the same as in the past: to present all the news in a readable shape, and to tell the truth though the heavens fall. THE SUN has been, is, and will continue to be independent and its own convictions of duty. That the policy which has won our paper the confidence and friendship of a large constituency can have been enjoyed by any other American Journal. THE SUN is the newspaper for the people. It is not for the rich man against the rich man, but it seeks to do equal justice to all interests in the community. It is not the organ of any person, class, sect or party. There need be no mystery about its loves and hates. It is the honest Democrat as against dishonest Republicans and the honest Republican as against the dishonest Democrats. It believes in the Constitution and with the principles upon which this Republic was founded for the people. When the Constitution and the principles are violated—as in the outrageous conspiracy of 1876, by which a man not elected was placed in the Presidential office, where he still remains—the organ of the people will be the organ of the people. THE SUN will continue to shine on the world with unimpeded brightness. While the lessons of the past should be constant before us, the lessons of the future should be constantly before us. THE SUN is a magazine of ancient history. It is printed for the men and women of today whose concern are chiefly with the affairs of to-day. It has both the disposition and the ability to afford its readers the prompt, fullest, and most accurate intelligence of whatever in the wide world is worth attention. To this end the property will be liberally employed. The present disquiet condition of parties in this country, and the uncertainty of the future lend an extraordinary significance to the events of the coming year. It is especially interesting to the leaders in every section of the Republic who take a direct bearing on the Presidential election of 1880—an event which must be regarded with the anxious interest by every patriotic American whatever his political bias or allegiance. To these elements of interest may be added the probability that the Democrats will control both houses of Congress, the increasing feebleness of the fraudulent Administration, and the spread and strengthening everywhere of a healthy abhorrence of fraud in any form. To present with clearness and accuracy the exact situation in each of its varying phases, and to explain, according to its well-known methods, the principles that should guide us through the labyrinth, will be an important part of THE SUN'S work for the year to come. We have means of making THE SUN, as a political and literary and general newspaper, more interesting and more useful than ever before; and we mean to apply them freely. Our rates of subscription remain unchanged. For the DAILY SUN a four page sheet of twenty-eight columns, printed by hand postpaid, is 50 cents a month, or \$5.00 a year, or, including the Sunday paper, an eight page sheet of fifty-six columns, printed by hand postpaid, is \$7.75 a year, postage paid. The Sunday edition of THE SUN is also furnished separately at \$1.20 a year postage paid. The price of THE DAILY SUN, eight pages, fifty-six columns, is \$1.00 a year postage paid. For clubs of ten sending \$10.00 we will send an extra copy free. Address: I. W. ENGLAND, Publisher of the "Sun" New York City.

The Temperance Reform and its Great Reformers,

By Rev. W. H. Daniels, M. A.—With an Introduction by Rev. Theo. L. Cuyler, D.D. This is a book which has for its field one of the most spirited and successful of all modern assaults on the kingdom of darkness; for its author one of the most successful historians of modern evangelism, whose former works have within the last three years reached an aggregate sale in this country and Great Britain of over 100,000 VOLUMES; for its PUBLISHERS, a house which makes as honest and saleable books as any in the whole subscription trade; for its PATRONS, all who are interested in, have suffered by, or are working to suppress, intemperance; and for its MISSION, the forwarding of the Kingdom of Christ by saving the souls and bodies of men. The work contains nine sections, and covers the entire history of all temperance movements in this country, from the early colonial days to the latest phases of Gospel temperance under the Woman's Christian Temperance Union, the Blue Ribbon Societies of Frances Murphy, the Red Ribbon Clubs of Dr Reynolds, and the evangelistic temperance work of Messrs. Moody, Sawyer, Jerry McAuley, etc., whose meetings are portrayed from personal observation of the author, in which thrilling testimonies are continually given of the power of faith in Jesus Christ to save a lost drunkard not only from the effects of but from the appetite for, strong drink! Profusely illustrated with THIRTY portraits and sketches, all of them new, and made for this book especially. It is printed from beautiful clear type, on fine toned paper, superbly bound, and is comprised in one large Crown Octavo volume of 684 pages, and will be furnished to subscribers at the following prices: In Fine English Cloth, elegant Gilt Side Stamp \$2 00 per copy In Half Turkey Morocco, Marbled Edges \$2 75 per copy N.
