JOHN HOLDERNESS, Prop.

The first thing that holds every visitor's attention when he enters the Canadian section of the English colonies' building, at the Paris Exposition, is the very fine exhibit of
Newcombe Pianos
which is in the best location in the building with a frontage of over 50 feet. The very favorable comment made on these pianos by all musical people reflect great credit upon Canada's progress in this high art of manufacturing.—Extract from "The Presto of Chicago."
