A Great Humane Government
Adopts NEAL Cure
DRINK and DRUG
Habits QUICKLY Cured

After spending over two years in making an official investigation of treatments for drink and drug habits in Europe, Great Britain and the United States, the Government of South Australia adopted and commenced using the Neal 3-day treatment in October, 1910.
Any one interested is referred to the Hon. F. H. Wallis, Chief Secretary, Adelaide, South Australia.
However, the most convincing proof to any man who is drinking to excess should be that the treatment is absolutely free unless the patient is entirely satisfied at the end of treatment.

By remembering the unfortunate sufferers you leave behind the greatest of all memorials—a monument of lives restored to health and happiness.

The following form will serve:

"I give, devise and bequeath to THE NATIONAL SANITARIUM ASSOCIATION, for The Muskoka Free Hospital for Consumptives, the sum of \$....."

**THE
"LONDON TIMES"**

in an important article on Life Insurance, observed:

"The difference between the rate of interest is one of the principal sources from which the with-profit Policyholders derive bonuses. The interest rate is also a large factor in the determination of the premium. It is really as important as mortality."

Since the experience of The Great-West Life in both interest earnings and mortality (as also in expenses) is notably satisfactory—LOW PREMIUMS AND HIGH PROFITS follow as a matter of course.
