Seeds with a Lineage

Lovers of gardens and grounds
should know that at Raynes Park,
London, England, Messrs. James
Carter & Co. have the finest and most
complete testing and trial grounds in
the world.

Their equipment and the unique
methods employed guarantee the
quality of their seeds. For genera-
tions they have been cultivating, se-
lecting and perfecting until Carters
Tested Seeds have reached the high-
est percentage of purity and germina-
tion.

In England, where the art of gard-
ening is most highly developed, Car-
ters Seeds rank first. Ask any gard-
ener with experience in Great Britain
—he will know Carter.

In Canada, Carters Seeds have achieved
a tremendous success, both on large estates
and in smaller gardens.

We import these seeds direct from Raynes
Park and carry a complete stock at our
Toronto warehouse. We issue an American
Catalogue, with all prices in American money.
It includes selected varieties of Flower and
Vegetable Seeds, with valuable directions for
planting and cultivation.

A copy of this Catalogue will be mailed you
FREE. Write for it to-day.
