A Steady Gain.

Progress is the watchword of to-day. Our constant aim to improve on the quality of our Pan Dried Rolled Oats meets with a steady gain in orders. It pays us to be progressive millers. It pays you because you are pleasing your customers better and better. And your profits increase as your confidence in us grows. We may do better yet for you on quality. If we can improve on what you know as "best" now, we shall do it. Rest assured of that.

The world moves.
