 Commission to handle consignments of grain from  
 farmers on commission. Each company is also

 ments are published in The Guide except those  
 licensed and bonded according to the above

**Always at Your Service**  
 We thank our many patrons for their valued business during the past year  
 and bespeak the same for the incoming grain year.  
 We are urging farmers not to sell their grain until the crop is assured,  
 but once the crop seems safe, present prices are so attractive, we believe  
 some sales should be made. Get in touch with us for prices.
