IS NOW THE STANDARD PREPARATION of COD-LIVER OIL, and, as a *Pharmacological Product*, meets with the approbation of the *Medical Faculty*, and is largely prescribed by them in their daily practice—combining, as it does, the *medicinal virtues* of COD-LIVER OIL, of the finest quality; LIME, in the desirable form of the *Lacto-Phosphate*; and IODINE, as a *Hypophosphite*; PHOSPHORUS, in its most digestible form; and IRON, as the great *Blood-producing* element.

As an illustration of the manner in which it is spoken of by those who have *tried it*, read the following communication from Mr. George Sewell of Memramcook, N. B., who writes from Moncton, N. B., under date of June 7, 1878:

*J. H. Robinson, Esq., St. John, N. B.*

DEAR SIR, In January last I came to Moncton from Memramcook to consult a physician, as I was in the last stages of Consumption. When I arrived here, I had at once to go to my bed, and was so low I never expected to leave it. A physician was called who pronounced my case as hopeless; that I might live a week or two, but certainly not more. As a last resort he recommended ROBINSON'S EMULSION of COD-LIVER OIL WITH LACTO-PHOSPHATE OF LIME. I purchased a bottle, and after taking the first dose I commenced to improve. Proceeded, after taking a dose, as if I had eaten a good hearty meal. I have continued taking it ever since, and I am rapidly improving. I am confident that had it not been for your Oil I *would have been in my grave to-day*. You are at liberty to use this in any way you wish, as I am anxious to let others, who are afflicted in the same way, know, in the hope that they, too, may receive the same benefit.

And again, dated June 22, 1878.

*J. H. Robinson, Esq.*

DEAR SIR, I wrote to you in May last informing you of the wonderful cure you EMULSION of COD-LIVER OIL WITH LACTO-PHOSPHATE OF LIME had made in my case, and, at the same time, promising to write to you from time to time to let you know how I was getting along. I am much better in every way. I am strong; can walk a good long distance without getting tired; sleep well and eat a hearty meal. In fact I *am a new man in every respect*, and thus, who I saw me three months ago and see me now, you *hopfully believe I am the same I was*.

The above are facts; and believing that ingratitudo is one of the unpardonable sins, I feel it a duty to tell you of what, under a kind Providence, your preparation has done for me. Wishing you every success, &c. &c.
