PROFITS BY ADVICE TO SETTLE IT OF MOTHER-IN-LAW

"Tanlac Has Simply Made Me Feel Like a New Man," Says Harry McDermott

"If I ventured to eat a little supper I would just roll and toss all night, in such misery I couldn't sleep," said Harry McDermott, who ves at 132 Irmington Avenue, describing the condition he was in before he began taking Tanlac, Mr. McDermott is employed by the Laidlaw Lumber Company, and has been resident of Toronto for seventeen

"I had no appetite," he continued, 'and what I would eat only made trouble for me. Soon after eating a pain would start up in my stomach and was so violent at times I had to bend over. I would bloat all upcouldn't take a good deep breath on account of the gas-and was concareful I was about what I ate I suffered the same way. Some days my pain made me night weak and faint, and I just felt like giving up and going home. Oh, I just can't describe my awful feelings. I was all demoralized-didn't want to stop off and yet I was in no shape to work-I had been unable to get anything to help me, and hardly knew

what to do. "One day my mother-in-law explained to me how she had gotten relief from a bad case of stomach trouble by taking Tanlac and advised me to try it. So I'did, and when I finished my first bottle I felt better and lots better at that. I have taken three bottles now and my appetite is fine. I can eat anything and all the gas, bloating and pain has disappeared, and, in fact, I have no more signs of indigestion. Tanlac has simply made me feel like a new man through and through and I don't are and dissolution to considerable believe it has an equal for troubles like I had."

Tanlac is sold in Brantford non by A. Yoemans and in Middle port by William Peddie.

Helpless In Bed With Rheumatism Until He Took "FRUIT-A-TIVES".

R. ALEXANDER MUNRO

R.R. No. 1, Lorne, Ont. "For over three years, I was confined to bed with Rheumatism. During that time, I had treatment from a number of doctors, and tried nearly everything I saw advertised to cure Rheumatism, without receiving any benefit.

Finally, I decided to try 'Fruit-atives". Before I had used half a box, I noticed an improvement; the pain was not so severe, and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place". ALEXANDER MUNRO.
