

Crouching

In every cough there lurks, like a crouching tiger, the probabilities of consumption. The throat and lungs become rough and inflamed from coughing and the germs of consumption find an easy entrance. Take no chances with the dangerous foe. For 60 years there has been a perfect cure. What a record! Sixty years of cures.

Ayer's Cherry Pectoral

soothes and heals the wounded throat and lungs. You escape an attack of consumption with all its terrible suffering and uncertain results. There is nothing so bad for the throat and lungs as coughing. A 25c. bottle will cure an ordinary cough; harder coughs will need a 50c. size; the dollar bottle is cheapest in the long run.

SUMMERVILLE

Capt. Harry Dexter, late of Schr. Calabria, was called to New York last week to take charge of one of the Gypsum Packet Co.'s steel barges. Mrs. Dexter went to Cheverie to remain the rest of the winter. Miss Hattie Lake has been very sick the last week with bronchial trouble. Mr. John H. Marsters, who now resides at Three Mile Plains, visited friends here last week. Crystal Stream Div. of Sons of Temperance, was re-organized here on Feb. 4th with a membership of thirty three, by a committee from Burlington and Cheverie Divisions. Officers for current quarter are as follows:— W. P.—Alex Young, W. A.—Mrs. Thomas Mosher, R. S.—Laurie Caldwell, A. B. S.—Thillie Mosher, F. S.—Mrs. Harding Zwicker, Treas.—Mrs. L. V. Marsters, Chap.—Gordon Marsters, Con.—Frank Crowell, A. Con.—Florice Lake, J. S.—Steadman Marsters, O. S.—Roy Nunn, P. W. P.—Caswell Armstrong. Capt. and Mrs. Daniel Marsters celebrated their diamond wedding anniversary on the evening of the 9th. Capt. Marsters is still confined to the house with occasional attacks of ague. Mr. and Mrs. Daniel Caldwell entertained quite a number of friends on Tuesday evening of last week in the usual enjoyable way—an old fashioned "sing."

What animal is it that is web-footed, Tommie? The spider, ma'am. Miner's Liniment Cures Distemper

Hantsport

Mr. Harry S. Smith and bride of Windsor, were at the Victoria, St. John, on Sunday last. Mr. C. R. Bill Collector of Customs at Wolfville, is confined to his house with a sprained knee. Mr. J. P. Esdaile of Halifax, Inspector of steamer's machinery, was in town on official business Monday. General G. A. Alger of the United States, has started 400 Bank accounts of \$1. each for Detroit newsboys. A store in Middleton was burned with contents on the first day of February. The stock was valued at \$7000. \$4000 insurance. A proclamation in the Royal Gazette calls the Legislature of the Province to meet to-morrow, Feb. 14th for the dispatch of business. The Cumberland county Baptist ministers are in session at Amherst; among other important matters will be the ordaining of Mr J. A. Huntley. Mr. Angus Gunn, a great sufferer with rheumatism for some years went to Halifax last week for treatment in Victoria General Hospital. Capt. W. A. Harvey left New York the last of January for Porto Rico to take command of the U. S. Str. Porto Rico. We wish you good luck Capt. "Whit."

She Was Pale and Languid

Dr. Pierce's Common Sense Medical Adviser is sent free on receipt of stamps to pay expense of customs and mailing. Send 31 one-cent stamps for the book in paper covers, or 50 stamps for it in cloth binding. Address Dr. R. V. Pierce, 661 Main Street, Buffalo, N. Y.

Dr. Chase's Nerve Food

The regular meeting of the Town Council was held Feb. 5th. The mayor and council took the oath of allegiance to King Edward and oath of office. The council for 1901 are as follows: W. S. Whitman, mayor, J. E. Stevens, Clarence Yeaton, C. E. Burgess, Charles Davison, S. H. Mitchner and Albert J. Dorman, councillors. Standing committees for 1901: Public accounts, finance and tender, Mayor and all the Council; License, Councillors Davison and Yeaton; public property, roads, streets and bridges, Burgess, Dorman and Yeaton; cemetery, Mitchner, Stevens and Burgess; poor, Mayor and Councillor Davison; public health, Mayor and all the Council; schools, Mitchner, Davison and Burgess; presiding councillor, Stevens. Town Officers: Fence Viewer, Joseph Fish; sanitary inspector, Joseph Fritz; surveyor and inspector of lumber and wood, J. Edward Borden; measurer and weigher, F. E. Pentz; pound keeper, E. Coon; appeal court, Mitchner, Yeaton and Davison. What's the news from China, dear? asked Mrs. Snaggs of her husband, who had the newspaper. Chow Chow is in a pickle, replied Mr. Snaggs.—Pittsburg Chronicle-Telegraph.

"A New Woman."

Disease makes many a woman prematurely old. Dark-rimmed eyes, hollow cheeks and wasted form are accompanied by listlessness and loss of ambition. Home duties are a weariness, and social pleasures have no attraction.

One of the commonest expressions of women cured by Dr. Pierce's Favorite Prescription is this: "It has made a new woman of me." There's a world of meaning in the words. It means the sparkle brought back to the eyes; the complexion tinted with the rosy hue of healthy blood; the form rounded out anew in graceful curves; the whole body radiant with health.

HANTSFORT

Mr. C. E. Burgess left on Tuesday morning, with a pair of horses and sled, conveying a commercial traveller and load of trunks, they were bound for Cheverie. Mr. S. H. Mitchner is suffering with an attack of Sciatica. It is hoped it will not be severe, or of long duration.

She Was Pale and Languid

Mrs. E. McLaughlin, 55 Parliament street, Toronto, states: "My daughter was pale, weak, languid and very nervous, her appetite was poor and changeable, she could scarcely bear herself about the house, and her nerves were completely unstrung; she could not sleep for more than half an hour at a time without starting up and crying out in excitement. 'An' she was growing weaker and weaker I became alarmed, and got a box of Dr. Chase's Nerve Food. She used this treatment for some weeks, and from the first we noticed a decided improvement. Her appetite became better, she gained in weight, the color returned to her face, and she gradually became strong and well. I cannot say too much in favor of this wonderful treatment since it has proved such a blessing to my daughter. Dr. Chase's Nerve Food is the most effective treatment for the ailments and weakness of women that is obtainable. Get a box, at all dealers, or Edmanson, Bates & Co., Toronto.

Dr. Chase's Nerve Food

The Town Council and Town Officers. Hantsport Advance. The regular meeting of the Town Council was held Feb. 5th. The mayor and council took the oath of allegiance to King Edward and oath of office. The council for 1901 are as follows: W. S. Whitman, mayor, J. E. Stevens, Clarence Yeaton, C. E. Burgess, Charles Davison, S. H. Mitchner and Albert J. Dorman, councillors. Coon; appeal court, Mitchner, Yeaton and Davison. What's the news from China, dear? asked Mrs. Snaggs of her husband, who had the newspaper. Chow Chow is in a pickle, replied Mr. Snaggs.—Pittsburg Chronicle-Telegraph.

HILLFORD

Crowded out last issue. Some of the most fendish work ever perpetrated in a quiet community where every man was supposed to wish his neighbour well, has been wreaked upon an inoffensive farmer, Jeffrey Sanford. Several of his cattle have been poisoned, one having died, besides a number of his sheep have been terribly beaten or mutilated, the creatures when found, being in a dying condition with the mutilated parts frozen. We would not have thought that so quiet a place or vicinity contained such malicious 'critters' and we sincerely hope some clue may be obtained to the guilty person or persons and the punishment meted out to them they deserve. We are sorry to hear that the disagreement between the people of Upper and Lower Burlington as to the most durable place for the proposed Government wharf on the Avon River is likely to result in its not being built at all. Such a wharf is really needed, all the accommodation the people having at present being that narrow construction at Card's Beech. It would be better were the people a little more compromising and would keep in mind the general good. Besides the need of a wharf it is only fair we had a share of the fifty millions for which Canada is being taxed.

Mrs. Robie Spence was 'At Home' to a number of her elderly lady friends on Tuesday. Means of conveyance was thoughtfully provided for those having no teams. As elderly persons do not so frequently make opportunities for social intercourse as the younger people it could be wished that in the country at this time of year that such social thoughtfulness were more frequent. Miss Zilla Reynolds of Mantua has been visiting friends here. Miss Florence Brown who was on a short visit to her parents has returned to Windsor. Several of our young men are working in the logging woods.

LOCKHARTVILLE

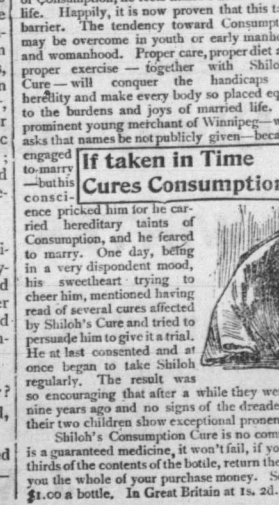

Mrs. David Hutebenson has returned home after a short stay in Cornwallis. Mr. Judson Pulsifer and family have moved to New Minas, we were sorry to see them leaving us. A few of our young folk spent a very pleasant evening at Mr. John Barron's recently. Mr. Burgess spent Sunday at his home in Hillsdale. Miss Fronie Barrons dressmaker is home on a vacation. Mrs. Coffill of Hantsport has been visiting friends in this vicinity lately. There will be service in the Baptist church next Sunday morning. Miss Edith Smith entertained a number of her friends on Thursday evening.

Consumption No Barrier.

Shiloh Counteracts Hereditary Tendencies. Many a man's life has been wrecked simply because he dare not marry. Being conscientious, and knowing that his ancestors have suffered and died from the dreaded disease of Consumption, he feels himself debarred from the pleasures and responsibilities of married life. Happily, it is now proven that this taint of Consumption is no longer an insuperable barrier. The tendency toward Consumption may be overcome in youth or early manhood and womanhood. Proper care, proper diet and proper exercise—taken together with Shiloh's Cure—will conquer the handicaps of heredity and make every body so placed equal to the burdens and joys of married life. A prominent young merchant of Winnipeg—who asks that names be not publicly given—became engaged to marry—but his conscience prickled him for he carried hereditary taints of Consumption, and he feared to marry. One day, being in a very despondent mood, his sweetheart, trying to cheer him, mentioned having read of several cures effected by Shiloh's Cure and tried to persuade him to give it a trial. He at last consented and at once began to take Shiloh's Cure regularly. The result was so encouraging that after a while they were married. That event occurred some eight or nine years ago and no signs of the dreaded malady have yet appeared and neither he nor their two children show exceptional proneness to coughs, colds, or any pulmonary weakness. Shiloh's Consumption Cure is no common medicine. It is a medicine that cures. It is a guaranteed medicine, it won't fail, if you are not satisfied with the results after using two thirds of the contents of the bottle, return the balance to the druggist and he will at once refund a third of the contents of the bottle, return the balance to the druggist and he will at once refund a third of the contents of the bottle. Sold in Canada and United States at 25c., 50c., and \$1.00 a bottle. In Great Britain at 1s. 2d., 2s. 3d. and 4s. 6d. S. C. WELLS CO., Toronto.

La Grippe's Ravages

A Campden Lady Cured of its After Effects

She Was Left Weak and Run Down, and Unable to Regain Her Strength Until She Used Dr. Williams' Pink Pills.

In the village of Campden, Ont., and throughout the surrounding country, there are few people better known or more highly esteemed than Mr. and Mrs. Daniel Abright. Mr. Abright has for many years filled the position of village policeman; his addition to conducting a boot and shoe business. But it is with the persistence of his estimable wife that this article has chiefly to do, as she gives, practically in her own words, the particulars of her recovery from a severe illness and cure for publication. She said: If you think by experience will help some other sufferer I am quite willing to give it, for I would you that I am a very enthusiastic admirer of Dr. Williams' Pink Pills. For some years prior to the winter of 1898 I suffered with a lame back, which frequently prevented me from doing my household work. Later exposure to cold developed sciatica, and every movement of the body caused intense pain. In this was passed gloomy days and restless nights, until the winter of 1898, when my trouble was aggravated by an attack of la grippe. The first and most severe symptoms of this trouble passed away but it left me in a weak and depressed condition. I did not appear to be able to recover my strength; my appetite was very feeble; I was extremely nervous, and my heart would palpitate painfully at the least exertion. I had been under a doctor's care, but did not recover my strength and as a consequence I was much depressed in spirits. At this juncture a friend who called upon me advised me to try Dr. Williams' Pink Pills, and I decided to follow the advice and procure a supply. To my gratification I felt an improvement in my condition almost from the outset, and after using the pills for a little over a month I was once more enjoying the best of health, every trace of the trouble that had afflicted me having disappeared. It is nearly three years since I used the pills and I have been well and strong ever since, and I have the best of reason for ascribing my present good health to the use of Dr. Williams' Pink Pills. Dr. Williams' Pink Pills are a tonic and not a purgative medicine. They enrich the blood from the first dose to the last and thus bring health and strength to every organ in the body. The genuine pills are sold only in boxes with the full name Dr. Williams' Pink Pills for Pale People, printed on the wrapper. If your dealer cannot supply you send direct to the Dr. Williams' Medicine Co., Brockville, Ont., and the pills will be mailed post paid at 50 cents a box, or six boxes for \$2.50.

This is from the Montreal Trade Review:—It is proposed to connect Shediac, N. B. with Prince Edward Island by a bridge over the Northumberland straits. There will be two bridges of 100 feet span across the Abonshagan and Kouchibouguine rivers and an arch across the Tidnish. The work is to be undertaken in the spring.
