## PIANOS! PIANOS!

M. E. C. SAFFERY, professor of Music, offers his services professionally, in the purchase and selection of new and second-hand Instruments. There is so great a difference even in New Pianos, in point of tone and touch, that parties would be consulting their own interest in availing themselves of his professional experience remembering that without due discrimination and judgment, you often pay more for a worthless instrument than a superior one would amount to, verifying the old adage, "That you have paid too dear for your whistle!" therefore the fee of \$1.00 is absolutely money saved.

Communications post paid directed Mr. Saffery, Dartmouth, Halifax, will be attended to.
