

A Liberal Offer.

We have made arrangements with the publishers of the *Weekly Globe* to club that paper with the *Reporter* for 1887. The two papers taken together will be furnished from this date or from any date up to the first of January next, until the end of 1887, for the small sum of \$1.75. Parties subscribing now will get both papers for nearly fifteen months at 25 cents less than the ordinary price for one year. The contents of the *Globe* during the next few months will be of unusual interest, as the doing of the Dominion and Provincial Parliaments will be reported at length. Our readers will readily perceive the advantages we are offering, and the importance of remitting without delay to secure the full benefit of the offer. All subscriptions must be paid strictly in advance. This offer is not restricted to new subscribers, but is open to all who choose to avail themselves of it.

LOCAL NEWS.

All the Current Events of Farmersville and Vicinity Correctly Reported.

Ask your friends to subscribe for the *Reporter*. Only \$1 to January 1st, 1888.

Building Operations.
John House is erecting a very fine brick dwelling on his lot at the west end of the village.

John Wiltse is putting up a large two-story frame dwelling at the north end of the village.

Sample Copies.
We send this week sample copies of the *Reporter* to a number who are not now subscribers, in the hope that they will order the paper to be sent to them regularly.

Delays are dangerous. Procure a bottle of West's Cough Syrup at once and cure that troublesome hacking cough and sore throat, relieving pain and misery. It is the household remedy for all throat and lung diseases. All druggists.

Assembly.
The first assembly of the season was held in the town hall, Friday evening, and was a grand success. The supper was served by nine hostesses. The dance was given by the members of the Gable House, who on this occasion added to his laurels as a caterer.

All enterprising druggists wishing to supply their customers with the best, keep West's Cough Syrup and recommend it, for it is the best made.

Business Education.
Brockville Business College still excels all others in the thoroughness of the work done, in the success of its graduates and in the patronage of the business community. No examinations on entering. Students receive individual instruction. Rates cheaper than at any other first-class college in Canada. It is the best. Send for their circulars.

Methodist Church.
The Rev. Jas. Lawson, of Cobden, preached in this church on Sunday morning, and the Rev. J. B. Robeson in the evening. Next Sunday the anniversary sermons will be preached by the Rev. W. W. Carson, of Ottawa, who will also lecture on "Business, Politics and Religion" at the tea meeting to be held on the following Monday evening.

Our Circulation.
Our circulation is increasing at a satisfactory rate. We have a large number of blank receipts, however, that we would like to fill out for new subscribers. Kindly show the *Reporter* to your non-subscribing friends, and call their attention to our offer found in another column, the *Weekly Globe* and *Reporter* until the end of 1887 for only \$1.75. This ought to increase our circulation to 1,000. Will our friends all help us to attain to that number?

W. C. T. U.
Last Wednesday evening the annual tea of the Women's Christian Temperance Union was held in the Wellington street Methodist Church. The members and their better halves turned out in full force, and enjoyed themselves to their hearts' content. In the tea meeting which followed the tea, the speeches were all made by the afore-

said better halves, which seems to show that the ladies of Farmersville are not so talkative as their sisters elsewhere.

Sad Bereavement.
The many friends of the Rev. J. B. Robeson, of Haley's Station, will be sorry to hear of the affliction in his family, which resulted in the loss of his youngest child, a little girl of three months. The little one succumbed to a severe attack of whooping cough, and another member of the family is suffering from the same malady. The remains were interred in the Farmersville cemetery on Sunday morning. The Rev. Jas. Lawson, of Cobden, an old friend of the family, was one of the chief mourners.

West's World's Wonder or Family Liniment, a sure cure for neuralgia, cuts, wounds, lacerations and bruises. 25c. and 50c. All druggists.

Marriage and Reception.
On Saturday evening last about forty invited guests assembled at the residence of John House, Plum Hollow, to attend a reception given to Mr. and Mrs. J. Stewart, of Frankville, who were joined in matrimony on the previous Sunday, and who had just returned from their wedding trip. A sumptuous supper, consisting of oysters and other delicacies of the season, was partaken of, after which a pleasant evening was spent in social intercourse with those present. The bride was the recipient of a large number of presents.

Do not neglect a cold or cough, as it frequently results in consumption. You will find never-failing remedy in West's Cough Syrup. All druggists.

Benefits of Advertising.
During the last week in July W. N. Beecher, of Toledo, lost a valuable carriage rug while driving. After waiting over two months for it to turn up, he inserted an advertisement in the "Everybody's Corner" of the *Reporter*. In a few days after the appearance of the ad, the lost article was returned to its owner, the finder having ascertained the ownership of the rug through the *Reporter*. A young man who advertised in the *Reporter* the loss of a valuable article of jewelry, also had the missing article promptly returned. "A word to the wise, etc."

West's Cough Syrup, the household remedy for coughs, colds, sore throat, influenza, bronchitis, whooping-cough, asthma and consumption. All druggists.

Another Accident.

On Sunday evening, as Fred. Clow, watchmaker, of this village, was driving home from Brockville he met with a painful accident. When near Algou's corner he got into a doze, and allowed the lines to slip from his grasp. On awaking he found the horse (a spirited animal) in a good sharp trot, but by gentle coaxing, he finally brought it to a halt. He then attempted to alight to get the lines, when he slipped, and falling on his shoulder dislocated it. The horse started again on a run, and only stopped when it reached its stables at Berney's livery. Fred. trudged on foot to the village, when he routed up Mr. Berney and had the horse taken care of, and then went to Dr. Cornell's and had his shoulder set.

Miss Saloma Whaley is on a visit to friends in Toronto.

Mr. N. R. Bates is raising his lot in the grave yard, and has the base stones laid for a monument to the memory of his wife and son.

Payment for the right of way for the E. & W. R. through three farms in this neighborhood, has lately been settled by arbitration. Mr. Mansel Brown receives \$300 for about 23 acres; the Foxton farm \$200 for 3 acres, and also Mr. Steary, \$35 per acre. Work on this section of the road has entirely ceased.

Mr. Orland Lillie, of Lyn, met with a serious accident on Sunday morning, on the road near Mr. Byron Brown's. His horse became frightened and upset the carriage into the ditch. Dr. Giles was the first to come along and found Mr. Lillie insensible. He

was taken to the house of Mr. A. Cornell, and when restored to consciousness, went on to Mr. Horace Brown's. He was badly shaken up, receiving severe bruises about the face and head.

At this season of the year it is very necessary to keep a bottle of West's Cough Syrup in the house for sudden colds. Nothing like it. Cures like magic.
