THE REPORTER COUNTY NEWS.

INTERESTING LETTERS FROM OUR STAFF OF CORRESPONDENTS

WILKESBORO. SATURDAY, June 29.—The weather still continues warm and the farmers are beginning to feel discouraged over the dry weather. Meadows are past recovery, but all kinds of grain would benefit immensely if plentiful showers.

NEW DUBLIN.

SATURDAY, June 29.—Road work is the order of the day in this section. Some of the farmers have commenced haying, on account of dry weather. Mr. Alex. Compoy and son of Athens were in the employment of Mr. Byron Cadwall this week.

GREENBUSH.

SATURDAY, June 29.—The straw-berry festival last Thursday evening on the lawn at Mr. Ed. Stowell's, under the auspices of the Ladies' Aid Society of Athens, was a decided success. The evening was fine, the lawn was nicely illuminated, while the shower of the previous day had gladdened the hearts of the people; the Athens Citizens' band furnished abundance of choice music, and everything seemed conducive to merriment and good cheer.

LYNDHURST.

FRIDAY, June 28.—The residence of Mr. and Mrs. F. Tye was the scene of a very large and happy gathering on Wednesday evening, the occasion being the marriage of their daughter, Miss L. E. Sly, to Mr. E. Elgin. The bride was supported by Miss E. Sheldon while Mr. A. Gray of Morton attended the groom. The ceremony was performed by the Rev. Roadhouse of Sealey's Bay.

SEALEY'S BAY.

SATURDAY, June 29.—Last Monday Mrs. Wm. Gilbert overbalanced on a chair while reaching for an article on a top shelf in the pantry and in falling her head struck a table, inflicting an ugly wound. Her injuries were attended to by Dr. Christie and she is now doing well.

MCINTOSH MILLS.

MONDAY, July 1.—Cattle buyers are quite numerous in this section. Mr. D. Bolger of Spring Valley was visiting friends in town last week. Mr. Jack-the-Ripper is meeting with

great success selling his potato bug smasher. Mr. H. Loycock and Miss Scott passed through here on Saturday last. Wexford people are patronizing Mr. M. Anglin's pound this summer, very frequently.

FAIRFAX.

MONDAY, July 1.—Mr. T. O'Connor was visiting friends in town on Sunday. Mr. J. Birch is driving stake for T. Wert. He says the dough is very tough. A large crowd left here this morning for the Brewer's Mills picnic. A little boy arrived at the home of Mr. P. Lappan on Thursday last. Our cheese factory is running nicely under the able management of Mr. Brine.

HARD ISLAND.

SATURDAY, June 29.—Farmers have commenced cutting their hay and report the supply to be a very scanty one. Miss Janie and Mrs. P. H. Robeson spent Saturday and Sunday last at Sweet's Corners. Miss Hewitt of Addison spent a few days on the island visiting her sister, Miss E. Hewitt. Harvey Wing is preparing a well near the barn for the better accommodation of his stock. Last Wednesday evening the prayer-meeting was changed to a pastoral service which, according to invitation, was conducted by Rev. L. M. Smith of Hampton, N. Y., who with his wife spends a few days here this week, guests of Miss Orelia Robeson at the home of her parents.

FAIRFIELD EAST.

FRIDAY, June 28.—The Ladies' Aid held a lawn social on the grounds at the Manhart church on the evening of June 26th, and a large crowd assembled to help empty the tables. After refreshments they were furnished with a first-class entertainment, consisting of readings, speeches, and excellent music by the choir. Everybody enjoyed it themselves immensely. The funeral services of Miss Mary McCracken were conducted in the Manhart church on Tuesday, June 25, and services for her mother on Friday, June 28. The services were both presided over by Rev. M. Danby of the Presbyterian church. The church was filled on both occasions. The bereaved family have the sympathy of the entire community.

The cry around this part of the country is not like the old woman who responded to the question of what she thought of the man who went in to pray with her and asked for everything that he thought she needed, excepting for something to eat, and she cried, "Don't forget the potatoes." Here, it is, "Oh, for a few drops of rain." What might have been a very serious accident occurred at Mr. Hiram Manhart's one day last week. In building a fire to get supper, some sparks flew from the chimney and caught the roof, but owing to great promptness of mind and timely assistance from the neighbors the fire was extinguished with very little loss.

There is one of our prominent young men strolling up on the railroad occasionally and it is rather dangerous to be coming back when one is a little sleepy, as the train passes through the woods and deafens the sound, so that he might meet with an accident. So beware, G., and drive instead of walking; it is more pleasant.

DOMINION DAY.

Athensians Loyally Celebrate Confederation's Birthdays. Yesterday was a great day in Athens. It was hot and dusty, of course; but these little incidents did not interfere to any appreciable extent with the carrying out of the program as advertised nor greatly lessen the enthusiasm with which the different events were greeted.

Early in the morning Main street was draped with flags and bunting, and private decorations were here and there added to the general gay appearance. The first event of the morning was the arrival of the train from Westport and Brockville. The former brought a number of visitors, and the latter was crowded with excursionists, containing, besides those ticketed for this place, a large number from Brockville and the O. L. O. of Addison and their friends, bound for Westport. As the Brockville train approached the station it was noticed that an unusual ornament embellished the cow-catcher of the engine, and a nearer view being obtained, the ornament was found to consist of the familiar form and features of Sir J. Macdonald. LOCAL SUMMARY.

ATHENS AND NEIGHBORING LOCALITIES BRIEFLY WRITTEN UP.

Events as Seen by Our Kith of the Penell-Local Announcements. Belated Riot Down. The parade of bicyclists at the driving track on Monday was a very pretty sight. This dry weather is growing monotonous. Why not get up a great big picnic? The Citizens' Band "did itself proud" on Dominion Day, playing good music and plenty of it. Students are writing on the junior leaving exam. this week. The primaries commence on Thursday.

Don't you know that Hood's Sarsaparilla will overcome that tired feeling and give you renewed vigor and vitality? An example of how boondoggling should be done may be seen opposite the residence of Mr. D. Fisher, Victoria street, and on Henry street north. The followers of Mr. Horner have succeeded in wiping out the debt on the church which they have recently purchased from the Presbyterians of Winchester. Mr. Wm. Johnston, M.A., J.P.S., was married in Ottawa to Miss Mills, a member of the Normal school teaching and they very wisely decided not to continue the game. Athens team consisted of the regular battery, including Aekland, and McCaffery, Addison, Rhodes, Fisher, Lockwood, Thomas, and Leahy. Brockville, Smith, Hunt, Hargraf, Logan, Baldwin, Coul, Stewart, and McLaren. Messrs M. Davidson and J. Curtis acted as umpires.

After dinner the driving track was thronged with the bicycle and horse races. The former excited considerable interest. The first event was a mile race for a silver medal. It was apparently closely contested until the home stretch was reached when the speaker was in no wise abated, and on taking leave of this kind and christian couple many felt that it had indeed been good for them to be there. Another victory like that of Monday should give Athens baseball team pluck enough to challenge Westport. It would be a great game, with the result exceedingly doubtful; for the Mounties' team is said to be in fine feather this season. Mr. C. Buell and family of Brockville are now occupying the Judson cottage at Charlton, where they will remain a month. This cottage has been improved to such an extent that it is now one of the neatest and best fitted and finished summer homes on the lake.

A meeting of the members of the Athens Fire Brigade will be held in Lamb's Hall on Friday evening at 8 o'clock for the election of officers and other business. Every member of the company is requested to be present, as well as all persons willing to join the company.—By order, Wm. KALEY, secretary. The members of Athens Court of Dependents' Order of Foresters will attend Christ church on Sunday, July 14, at 2:30 p.m., when a sermon, designed for the special benefit of Foresters, will be delivered by the Rev. Wm. Wright. Visiting brethren from other Courts cordially invited.

A very interesting event took place in Atholton, a beautiful suburb of Boston, Mass., on the 26th ult., in the marriage of Mr. Atwood H. Cameron, only son of Rev. J. J. Cameron of this place, to Miss Lizzie Cameron, daughter of the late Rev. Wm. Groat, Boston. The happy couple were wedded at Athens, N.Y., New York and Toronto, to spend their honeymoon.

The parties who tore down the flags opposite the Armstrong House and Reporter office and took a corner off the Gamble House flag on July 1st would do well to call and settle with any of our lawyers, as they are doing. Look up the law, young men, and see the penalty for destruction of property of that kind. The owners of the flags can be settled with far cheaper by the magistrates. A word to the wise, &c. Rev. A. DePencier of Toronto, brother of Mrs. (Rev.) Wm. Wright, entered into matrimonial bonds in that city on Saturday last. Among the guests present were Miss Bessie Wright of Ottawa and Mr. J. DeP. Wright of Athens. A few years ago Mr. DePencier was a student in Athens and he will be remembered with pleasure by many graduates of his class.

Miss Allie Bellamy of Brockville was in Athens this week, the guest of Miss Barney. Mr. William Chasels of Lyndhurst spent Sunday in Athens, the guest of his uncle, A. M. Chasels. There was remarkably little drunkenness and so disorder of any kind in Athens on Dominion Day. The B. & W. handled his large number of passengers in first-class style on Monday, running on scheduled time. The members of the Ladies' Church Fund of St. Paul's Presbyterian Church desire to convey their thanks to W. G. Parish Esq., for his kindness in allowing them to use his stove on Dominion Day on Main at free of charge. What has become of the enthusiasm of those of our citizens who interested themselves in providing street lamps for lighting the streets last fall? Have they, like the foolish virgins, allowed the oil to run low in their lamps?

A marvelous change soon came over him. Each day he seemed to gather strength and new life, and after eight boxes had been taken, he found himself again a well man. Mr. Moore is now about sixty-five years of age, has been healthy and has worked hard all his life until the sickness alluded to, and now, thanks to Dr. Williams' Pink Pills, he is once more able to work in his old accustomed way, and does not hesitate to give the credit to the medicine that restored him to health, at a cost no greater than a couple of visits to the doctor. Time and again it has been proven that Dr. Williams' Pink Pills cure when physicians and other medicines fail. No other medicine has such wonderful record and no other medicine gives such undoubted proofs of the genuineness of every cure published, and this accounts for the fact that wherever you will you will hear nothing but words of praise for Dr. Williams' Pink Pills. This great reputation also accounts for the fact that unscrupulous dealers here and there try to impose a bulk pill upon their customers with the claim that it "is just as good," while a host of imitators are putting up pills in packages somewhat similar to those of the genuine Pink Pills for Pale People, on the wrapper around every box. Always refuse substitutes which are worthless and may be dangerous.

The C. E. R. station at MacLeod, N. W. T., was robbed July 1st. David Robertson has been appointed foreman for Halton county. A Blenheim man is under arrest for selling cancerous beef in Chatham. There are nearly 200 members connected with the Woodstock Bicycle Club. One day last week 53,900 feet of lumber were cut at the Huntsville mills. There is talk of establishing a College Institute at Portage la Prairie. Windsor merchants want the compulsory six o'clock closing by law quashed. There are three companies of Indians in the Hamilton battalion of volunteers. The bill in the Manitoba Legislature against Sunday street cars has become law. A new Masonic lodge, called "Algonquin Lodge," has been instituted at Emadale. Hurbert's shingle mill, Spruceville, was destroyed by fire, is to be rebuilt. The Canada Southern Railway has declared a semi-annual dividend of 1.4 per cent. Kingston wants the G. T. R. shops that are now located at Belleville and Brockville. The coloured people of London have formed an "Independent Order of Good Samaritans." Lay Bredshaw, of Buffalo, saved H. Byckman of Jordan, from drowning at Grimsby Park. Lord and Lady Aberdeen attended the jubilee convocation of Bishop's College at Lennoxville, Que. Hood beer is prescribed by the Simcoe County W. C. T. U. as containing more than 10 per cent of alcohol. The Hamilton Women's Art Association are arranging to hold an exhibition of paintings in February. Seven years' disqualification, a fine of \$81, and \$2,000 costs. This is the penalty imposed upon the Mayor of Hull for flooding.

The total number of wrecks in Canadian waters during the last fiscal year was 83, representing the loss of ten lives and \$28,000. A Solomon, of Port Lambton, was arrested last week for fishing on the American side. He was taken to Port Huron and is cost him \$100 to settle. Mr. Holland has resigned the position of General Manager of the Ontario Bank, and is appointed Manager of the Peterboro' branch of the bank for fifteen years, has been appointed to the position. There are nearly 700,000 hogs in Ontario. The number of hogs in 125,000, of borned cattle there are 2,040,000, and sheep about 7,500,000, head of poultry. The Dominion Customs Department has decided to permit tourists to bring their bicycles free into Canada, requiring them to give an affidavit that they are their personal property and not for sale. With hay at \$15 to \$17 per ton, and fairly good horses selling at \$20 to \$50 apiece, the establishments created for the purpose of making a specialty of packing horse meat should find no difficulty in securing an ample supply of raw material. The oldest clergymen in Canada in the active ministry is probably Rev. Mr. Crossman, Hamilton minister of Lunenburg, N. S. He was born in 1816; ordained in 1834, 61 years ago; arrived in Lunenburg 1835; has baptised 3,949; married 662 couples; buried 1,041; has preached 11,000 sermons, and travelled 200,000 miles. Mr. Francis, M. P., for Guyboro, announced that he will oppose any legislation favorable to the Toronto, Hamilton & Buffalo railroad, until a provision is inserted obliging the company to pay \$5,000 due to him and others on construction. The original contractors were American, who assigned and returned to the S. T. Co.

Between Life and Death. THE NARROW ESCAPE OF A WELL KNOWN NEWBURGH MAN. BY THE LOSS OF A FINGER MR. CHAS. MOORE OF THE VILLAGE NEARS DEATH'S DOOR, BUT IS RESCUED AFTER DOCTOR'S CARE FAILED. From the Napanee Beaver. In the pleasant little village of Newburgh, on the Bay of Quinte Railway, seven miles from Napanee, lives Mr. C. H. Moore and family. They are favorably known throughout the entire section, having been residents of Newburgh for years. Recently Mr. Moore has undergone a terrible sickness, and his restoration to health was the talk of the village, and many even in Napanee and vicinity heard of it, and the result was that The Beaver reporter was detailed to make an investigation into the matter. Mr. Moore is a carriage maker and while working in Funk's factory last winter met with an accident that caused him the loss of the forefinger of his right hand. It was following this accident that his sickness began. He lost flesh, was pale, suffered from dizziness to such a extent that sometimes he could scarcely avoid falling. He consulted physicians and tried numerous medicines, but without any benefit. He was constantly growing worse and the physician seemed puzzled, and none of his friends thought he would recover. One day a neighbor urged Mrs. Moore to persuade her husband to give Dr. Williams' Pink Pills a trial, and after much persuasion he consented. After a few days he began to feel better, and it no longer needed persuasion to induce him to continue the treatment.

Strayed. The Toronto City Council have passed an order for the abolition of market fees to take effect on the 30th day of August. On that day market fees are abolished. The showing is, as the Post says, a creditable one to the collector. But it is even more creditable to the town.
