FROM A BUSINESS Point of View

ANNUAL MEETING
At the annual meeting of Rear Leeds and Lansdowne Agricultural Society, held at Lyndhurst, the following board of management was elected for 1907:
Pres.—W. W. Hickock, Seeleys Bay.
1st Vice Pres.—A. B. White, Lyndhurst.
2nd Vice Pres.—E. L. Kendrick, Lyndhurst.
Treasurer—C. B. Tallman, Lyndhurst.
Secretary—Ziba Jackson, Lyndhurst.
Directors—C. J. O'Connor, Long Point; T. Sly, Lyndhurst; W. G. Kendrick, Lyndhurst; L. A. Dongall, Lyndhurst; J. Dillon, Ellisville; F. Booth, Morton; A. Slack, Long Point; J. Chapman, Sweets Corners; B. Green, Oak Leaf;
Auditors—E. Harvey, C. Sheffield, Lyndhurst.
All things considered, the report of the treasurer was highly gratifying. From the receipts of last year the society has paid all indebtedness and the treasurer announced a net balance of \$116 on the right side of the ledger. The prospects for this year are most encouraging. A large membership, loyal to the best interests of the society, and a capable official board should make the board of 1907 the best of the society's history.

A.H.S. VS. FRANKVILLE
On Tuesday last the A.H.S. hockey team turned Frankville representatives down by a score of 17 to 0.
The following is a list of the players:
A.H.S. Goal Frankville
Moffatt Kilborn
Davidson Point Stewart
Earl Cover Montgomery
Wiltse Rover Leverette
Willson Centre Leverette
Alguire Right Wing Sheffield
Parish Left Wing Dillavough
Referee—Chas. Brown.
Time Keepers—Halladay, Dunham.
As soon as the puck was dropped Athens took charge of it, made a few rapid passes, a lift, and landed it in the visitors goal, almost before the spectators realized that the game had started. Then followed some very pretty hockey, both being determined to push the battle.
The art of lifting the puck had been left out of the Frankville team's make-up and their goal-keeper was not skilled in catching birds.
The A.H.S. will give the Frankville boys a return game on Tuesday next.

ANNUAL MEETING
The annual meeting of the South Leeds Agricultural Society, Delta Fair was held in the Town Hall, Delta, on January 16th. The following officers were elected:
President—Philip Halladay.
1st Vice-president—R. J. Green.
2nd Vice-president—Omer Brown.
Directors—W. W. Bass, R. G. Leggett, H. E. Bowser, Alfred Williams, A. J. Kendrick, D. G. Ripley, H. E. Eyre, Arch Stevens, Geo. Morris.
Secretary—L. N. Phelps.
Treasurer—W. A. Bell.
Auditors—J. W. Russell, R. E. Green.
The report of the financial statement showed a most successful year. After paying all indebtedness there was a surplus of \$401.85. A committee was appointed to look after the erection of an eating house on the fair ground where meals will be served on the European plan.

FIRE NEAR ADDISON
The beautiful home of Edward Duffield, about half a mile from the village of Addison, known as "The Maples," was burned to the ground on Monday morning at four o'clock January 21st. The house was a large frame building, said to be one of the best in the Township of Elizabeth-town, and was formerly owned and occupied by Cyrenus Stowell of Brockville.
Notwithstanding the early hour of the blaze the neighbors came to the assistance of Mr. and Mrs. Duffield and while there was no possibility of saving the structure, efforts were directed towards saving the household effects, a large portion of which were safely removed. How the fire started is not known. The house was valued at \$5000.

How to Deal with the Butcher
It is quite as true that wisdom is money as that time is money, and never so true as when dealing with the butcher. To know how to buy a piece of beef that will cost only twenty cents but when cooked right will be as delicious and as nourishing as one which cost forty cents means money to the housewife. Many housewives, however, do not even know one cut of beef from another except as the butcher labels it. Along these lines a series of articles in the New Idea Woman's Magazine is giving information. Miss Elizabeth W. Morrison, the well known writer on food topics, talks of "The Hind Quarter of Beef" in the February number, showing by diagrams where each cut lies and following the general treatment of the subject by a number of good recipes, such as pot roast and beefsteak rolls. The future numbers will take up veal and lamb in the same way.

TRY THIS FOR YOUR COUGH
To relieve a cough or break up a cold in twenty four hours, the following simple formula, the ingredients of which can be obtained of any good prescription druggist at small cost, is all that will be required: Virgin Oil of Pine (Pure), one-half ounce; Glycerine, two ounces; good Whisky, a half pint. Shake well and take in teaspoonful doses every four hours. The desired results can not be obtained unless the ingredients are pure. It is therefore better to purchase the ingredients separately and prepare the mixture yourself. Virgin Oil of Pine (Pure) should be purchased in the original half-ounce vial, which druggists buy for dispensing. Each vial is securely sealed in a round wooden case which protects the Oil from exposure to light. Around the wooden case is an engraved wrapper with the name—"Virgin Oil of Pine (Pure)"—plainly printed thereon. There are many imitations and cheap productions of Pine, but these only create nausea, and never effect the desired results.

Both Quality and Price
Not often quality and low price are partners at a fur store. It's not always possible.
Here we make the goods in our own factory—we insist on quality in skins—perfection in workmanship and satisfaction in fit.
Here we save the middle profit. You buy of the maker and the price is consequently the lowest possible.
Both quality and price are right here. Investigate.
