A. H. S. FIELD DAY

On Friday last the annual field sports of the A. H. S. took place on the campus, and were conducted in a manner that reflected credit on all concerned. A spirit of loyalty to the school and a chivalrous bearing towards each other characterized the students, and there was not the slightest jar in the smooth running of the extensive programme.

The teaching staff, assisted by village lagers, joined heartily in the spirit of the day and assisted materially in different events. The decision of the judges was in every case accepted without question.

Below is a record of the results, names appearing in order of position won:—

GIRLS

Tossing ball into basket (jr.)—D Hawkins, E Earl, M Brown. Seniors—M Henderson, D Hawkins, G Gainford.

Throwing baseball—E Earl, H Rockwood, D Hawkins. 120 feet.

THE SUPPER

In the evening the students and invited guests partook of tea served in the town hall, and the excellent bill-of-fare provided was thoroughly enjoyed while the exciting events of the day were discussed.

THE CONCERT

The students had arranged for a free entertainment in the town hall, and long before the time of opening a very large audience from village and township had assembled. Principal Sexton ably presided over the meeting and was about to introduce the programme when a large, fuzzy Teddy bear descended behind him from the rostrum above, and its appearance was greeted with genuine student enthusiasm.

When the applause had subsided, the chairman accepted the incident as the first number on the programme and proceeded to welcome the large audience. He expressed the students' appreciation of the endorsement given their field day by the people of the district and tendered their thanks to the ladies for their generous contributions to the feast of good things that had been served in the dining hall.

The programme included vocal solos by Miss Jessie Percival and A Haynes; a reading by Miss Ruby Webster; piano music by Miss Henderson, Miss Earl, Miss Spry, Miss Russell and Mr Willows; violin music by Miss Francis Moore and Mr S Morris; harmonica music by Knowlton Davis; a chorus by the school and a chorus by the boys.

All these were interspersed with the "yells" of the boys and girls, and there was such a spirit of comradeship existing between the audience and their entertainers that even the yells were enjoyed.

In the absence of the Chairman of the Board, the Secretary, Mr H. H. Arnold, delivered a brief address and the Rev. W. G. Swayne and the Rev. George Edwards spoke briefly, all commending the institution of field day and all speaking warmly in support of the high school and its importance to the people of the district. Mr Swayne and Mr Edwards both warmly endorsed the proposal to add to the efficiency of the school by making needed improvements.

Local Items

—Wanted—A lady clerk, with or without experience. Apply to H. H. Arnold.

The Women's Mission Circle of the Baptist Church, Plum Hollow, will hold their opening meeting on Wednesday evening, Oct 23rd, at 7.30. Mrs (Rev.) S. Sheldon of Cornwall will deliver an address.

The Kingston Labor Council has recommended to the City Council the advisability of publishing the assessment roll. If the assessment roll of every town was published it would be a good thing for the municipalities, and would lead to the correcting of many inconsistencies and differences in assessment of property.

Work on the C. N. R. at Forfar is done and the engineering staff has been moved. Before leaving, Mr Murray the "chief" was given a farewell banquet by the people of the Methodist church. He had taken a prominent part in the work of the church during his residence there and was presented with a handsome club bag.

VILLAGE COUNCIL

The council held a session on Tuesday evening. All the members present.

A petition from Wm. Karley and others was presented, asking for a granolithic sidewalk on the west side of Elgin street, from Wellington to Wiltse street, and on motion of H. H. Arnold, seconded by E. Taylor, it was approved.

An account of L. G. Earl for typewriting, \$1.50, was ordered paid.

A by-law authorizing an overdraft in connection with sidewalk construction was introduced and passed.

A recommendation from the Local Board of Health that permission be granted, under certain conditions, for the construction of a drain across the town hall property from the new post office building was approved.

Council adjourned.

PRESIDENT ASSASSINATED

On Monday evening as President Roosevelt was entering his auto in Milwaukee to be driven to a hall where he was to deliver a speech, a man at the side of the auto fired at him with a revolver, the bullet entering his breast and penetrating to a depth of three inches. The assassin was at once overpowered and locked up. The President insisted upon delivering his speech, but has since been under surgical treatment and his condition is serious if not dangerous.

A SUDDEN DEATH

At her home two miles east of Frankville, Mrs Samuel Hanton passed suddenly away on Wednesday last. She was preparing the mid-day meal when she was attacked with neuralgia of the heart. Dr Bourns was summoned at once but it was too late, as she never regained consciousness, living only a short time. She was a very industrious person and highly respected. She was in her fifty-fifth year. She was born near Addison, a daughter of the late Wm. DeWolfe. Her husband died a year ago last August. She is survived by two sons, Walter M., at home, and Meredith, who went to the west about six weeks ago. She also leaves one sister, Mrs G. M. Leverette, Frankville, and five brothers. They are Loftus DeWolfe and Ogilvie DeWolfe, Brockville; Isaac DeWolfe, of Toledo, and Everett and William DeWolfe, in the west.
