P. W. SIMONDS, Secretary.

LOCAL AND PERSONAL ITEMS

Friends of the late Fred H. Stevens heard of his comparatively sudden passing with a touch of genuine surprise and sorrow. He was best known of course through the medium of The Observer, a child of his own creation, which, by dint of close application and hard work he brought from a local obscure sheet, into probably the most widely read paper in Carleton county, and which was always eagerly read by former sons and daughters of fair Carleton, no matter where they chanced to be placed. His indefatigable spirit and a good sprinkling of what in our latter day is termed "pop" brushed aside physical handicaps, that would have kept most of men earthbound, and made him a successful journalist. Hartland has good cause to mourn the loss of one of its best boosters and he has been highly instrumental in keeping our other local towns on the map. The place he occupied in his town and on his town's newspaper will be a difficult one to fill.

A First National picture, "Thundergate" written from the novel "The Lord of Thundergate" and starring Owen Moore, Robert McKim, Sylvia Breamer, Virginia Faire and others was an ultra picture. The scenes were laid in China and most of the scenes were oriental. The hero Owen Moore played a dual role of an American engineer and the heir to the empire of Thundergate. Many startling escapades were staged in a most striking manner and the double photography shots were extra good. On Saturday evening Pola Negri was most charming in "The Cheat" with Jack Holt and Charles de Roche. The play was given a Parisian atmosphere and the settings and costumes were of a most elaborate character. See page 7 for advertising matter relative to this week's shows.

Mrs. Gray of Somerville, Mass., is visiting her sister, Mrs. Mildred Beck with.

Miss Esther Weade, R. N., of Boston, is the guest of Mr. and Mrs. W. R. Harold.

Harold White of Amherst called in town on Friday.

Fred Blake Jameson, who is spending his vacation at his old home here, with his parents, Mr. and Mrs. T. H. Jameson, preached in the Baptist church on Sunday evening.

George Davis of Amherst visited Mr. and Mrs. L. A. White on Sunday.

The renovation proceedings to the cemetery are well under way. To a casual observer, it would have seemed an immense job to have brought the rough spots in the old lot up to a level surface, but the doubters can have their quibbles stopped by going up and viewing what has been accomplished in one short week. The work is a most necessary one, has been undertaken and the assistance of every person directly interested, no matter how far distant he may live from Centreville will be collected and appreciated.

Mr. and Mrs. T. A. McCain were calling on Mr. and Mrs. Ed McCain on Sunday.

Mr. and Mrs. Harper of Jacksonville, Mr. Wood and Mrs. Slipp of Woodstock, were calling on Mr. and Mrs. A. D. McCain on Sunday.

Dr. R. B. and Mrs. Hagerman spent Friday in Woodstock.

On Tuesday the ladies of the Florenceville Institute enjoyed a picnic at Bath, being guests of the Bath Institute. The picnic was held on Mrs. Barker's lawn. After a program of readings and music was carried out, a delicious supper was enjoyed by all present.

Following a trail of feathers from a devastated hen coop a constable of Ely, England, came to the home of Robert W. Crabbe. "What have you

EAST FLORENCEVILLE, N. B.

Brown Six-Row Potato Sprayer

BROWN POTATO SPRAYERS have for several years been the favorite with the potato growers on the St. John river for the reason that the clog proof nozzle makes it possible for the operator to spray for hours without stopping to clean the nozzles.

THE DOUBLE CYLINDER DISPLACEMENT PUMP takes its power from wheels by a convenient chain drive direct from axles thus doing away with side motion and drive chain trouble. The pump has brass plunger 2 1/8 inch in diameter, packed with graphite composition, from the outside thus assuring a high pressure at the nozzles. All check valves in pump are brass fitted to brass seats and can be easily ground or replaced. Large air chamber tested under higher pressure that assures a steady pressure at the nozzles.

REVOLVING TWIN PADDLES in tank to assure bordeaux mixture being well mixed when in operation.

THE HUNDRED GALLON TANK is square and of cypress wood, with the top removable in case of any trouble in the tank, whereas with the barrel tank sprayer it is impossible to do this.

THE WHEELS ARE GENUINE SARVIAN WHEELS, 4 feet in diameter, with 3 inch tire, all of good material that will stand for years which is very necessary in a sprayer that is to carry 100 gallons.

THE AXLE is cold roll steel 1 3/4 inch in diameter and we have never yet known one to break.

Hundreds of these sprayers are now in use and have given perfect satisfaction. We have a limited number for the season of 1924 and would advise anyone in need of a sprayer to place his order with us or with our agent nearest to him. The price is \$200 on reasonable terms.

McCAIN & TRAFFORD : East Florenceville.

Many Hurt!

SUPPOSE THIS WERE THE HEADLINE OF A NEWSPAPER ARTICLE REFERRING TO YOU AND YOUR CAR

Every car owner should have serious thought to the question of COMPLETE insurance protection. The ever increasing number of cars on the road means greater danger both to the car and the people in it. Carry ENOUGH Liability Insurance and also a personal accident policy.
