report of the Com Davis, Esq., and Rev. J. W. Manning— to whom was entrusted the work of gath ering such information as touched upon

to whom was entrusted the work of gath as the work of gath as eving such information as touched upon the subject of Prohibition, contains some interesting matter. At the last session of the Dominion Parliament a select committee suggested that it was necessary to have such evidence laid before the House, contains the report of a sary to have such evidence laid before the House, contains the report of a careful investigation and furnishes the information desired in the most complete obtainable form. To factitate their work, the commissioners divided the subject of their task into the follow ing questions:

First.—What have been the effects of prohibition upon the social and moral condition of the people?

The Huron & Quebe Railway schpme in prohibition upon the social and moral condition of the people?

First.—What have been the effects of prohibition upon the social and moral condition of the people?

Fourth.—What have been the effects of prohibition upon the social and moral condition of the people?

Fourth.—What have been the effects of prohibition upon the social and moral condition of the people?

Fourth.—What have been the effects of prohibition upon the social and moral condition of the people?

Fourth.—What have been the effects of prohibition upon the social and moral condition of the people?
