The fame of our Underwear has reached across the sea. Read Tommy's letter—he says good things about it. We supplied the 1st Nfld. Regiment with Underwear. All kinds of imported goods were offered. We handed out the right stuff. Come in and see it. Don't catch cold. Throw away that cotton stuff, wear wool. There are thousands dead who should be alive to-day if they paid proper attention to their underwear.

LETTER FROM THE FRONT.

Tommy, Terra Nova, Writes.

J. M. DEVINE, The Right House.

Corner Water and Adelaide Streets.
Dear Sir—Just a word to say we are all fine and that the Old Country is quite up to my expectations. All hands are well. We had a nice time coming across—twas a great sight to look at the ships lined up. I must confess, leaving the Narrows and dear old South Side Hill behind, made me feel kind of lonely, but such feelings soon disappeared. We are training hard and hope to be on the firing line at an early date. By the way, that Underwear you supplied the Regiment with is great stuff. They could scarcely believe in England 'twas made in Newfoundland. We are all comfortably fixed. I notice some of the papers are slightly twisting again politically. 'Twas ever thus. We'll do our duty and we cannot do more.
Yours faithfully, TOMMY.

Get ready, mothers, for Friday and Saturday are going to be great days at DEVINE'S on the Corner. Buy—buy all you want, the qualities are good, the price is low, and as usual you will enjoy the treatment our sales help will give you.

Days Past 322 To Come—42

ST. ELIZABETH OF HUNGARY.

The daughter of Andrew II. of Hungary and wife of Louis IV, Landgrave of Thuringia. Becoming a widow, she forsook the pomp of courts, and lived in retirement and poverty, dying at 24, and afterwards being canonized.

CHARLES I., born 1600. Succeeded his father James I. in 1625 and from the first was in more or less conflict with Parliament. His monetary demands and unjust taxation led to the Civil War.

PRESIDENT GARFIELD born 1831. Among the famous men who have worked their way to the post of President of the United States, Garfield holds very high rank. Left fatherless when but a child, from his earliest days he had to work hard to help to support his family. He became President in 1880.

FRANZ SCHUBERT died 1828, aged 31. Austrian musical composer. He was entirely self-taught and began to compose at an early age. Even when his reputation had become established he was sometimes constrained to sell the copyright of his songs for tenpence apiece, and never being able to secure a paid appointment, he seldom managed to procure more than the bare necessities of life. He is best known by his instrumental music and art songs, of which he was the first great exponent, and wrote some six hundred and fifty.

FERDINAND DE LESSEPS born 1805. French diplomat who inaugurated the Suez Canal in 1854 and in 1881 commenced the Panama Canal on insufficient funds. In 1892 the management was charged with fraud, and De Lesseps was condemned to five years' imprisonment, but was too ill to undergo the sentence. He died in 1894.

WOLFE TONE died 1798, aged 35. Irish politician and lawyer who several times planned a French invasion of Ireland. He died in prison awaiting execution for treason.

A BRITISH WAR SONG.

Quit the plough, the loom, the mine,
Quit the joys the heart entwine,
Join our brothers on the brine.
Arm, ye brave, or Slavery.

Peace, so loved, away is fled;
War shall leave his iron bed;
To your arms, avengers, dread!
Strike, O strike at Tyranny.

For our homes, our all, our name,
Blast again the tyrant's aim.
Britain's wrongs swift vengeance claim.
Rush to arms—or Slavery.

Heroes of the sea, the shore,
Quit your laurelled rest once more;
Dreadfully rouse the battle's roar.
Vengeance hurl on Tyranny!
—Thomas Campbell.

**For Soldiers in
the Trenches.**

A number of young men here patriotically clubbed together and sent Five Pounds sterling to "The War Illustrated" to help fill the pipes of our soldiers in the trenches and to keep them fed. This will suffice for 200 sixpenny packets, each containing two cakes of tobacco and ten cigarettes. Sixpence will buy what usually costs three times as much. "Fleetway House" adds a shilling pipe to the gifts for every five shillings subscribed.
