

Colorado Diamonds.
 Denver, Col., Oct. 24.—There is no longer any doubt as to the discovery of diamond fields in South-Western Colorado and Arizona. Several packages of stones have passed through Denver, and, after reaching San Francisco, have been proved to contain diamonds of the first water, together with other precious stones. A company of 100 men is organizing here, and already numbers over 80, who will start in a few days, armed, equipped, and provisioned for a six months' expedition. An organization was effected and officers elected last evening. Another diamond district has been found in Colorado, nearly west of Denver, on the proposed extension of the Atchison, Topeka, and Santa Fe Railroad. An engineers' party, under W. H. Pugh, Chief Engineer of the Atchison, Topeka, and Santa Fe Railroad left Pueblo on Sept. 3, following the Arkansas river and Tennessee creek to the headwaters of the Piney river, down the Piney, Grand, White and Utah rivers, and reached Salt Lake City October 10. While passing over that portion of the route indicated by the Piney and Utah rivers, the engineers were attracted by the brilliancy of the stones found in this region, and, without a suspicion of their being diamonds, a number were gathered as specimens. After arriving at Salt Lake City and hearing of the Arizona diamonds, their specimens were produced and tested, and proved to be genuine diamonds. The belief is rapidly growing that the wealth of the Colorado diamond fields will vastly eclipse her wealth in silver and gold.

BREAKFAST—EPPS'S COCOA—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. *Oliver's Service Gazette.* Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homeopathic Chemists, London." Also, makers of Epps's Milky Cocoa (Cocoa and Condensed Milk).

A Clergyman writing to a friend, says, "My voyage to Europe is indefinitely postponed. I have discovered the 'fountain of health' on this side of the Atlantic. Three bottles of Peruvian Syrup have rescued me from the fangs of the fiend, Dyspepsia." Dyspeptics should drink from this fountain.

Anomia, or depravity of blood, is a disease known by the extreme paleness or waxy appearance of the skin, lips and nails. Persons so afflicted always have dyspepsia, and are liable to hysteria, consumption, disease of the heart, convulsions, etc., consequent upon the withdrawal of material in the blood for nutrition of nerve. As Fellows' Compound Syrup of Hypophosphites will supply the healthy constituents to the blood and endow it with vitality, patients need not suffer from these diseases.

THE REASON WHY
 Dr. Wheeler's Compound Elixir of Phosphates and Calceps is called a Chemical Food and Nutritive Tonic, because Phosphate constitutes more than half the material of the human body, and is absolutely essential to the growth of Bone, Muscle and Nerve, which cannot attain full development without them. They promote a good appetite, perfect digestion, create pure, healthy, vitalizing blood, and supply the waste constantly going on in the system as the result of mental and physical exertion. Being combined with Calceps, the Peruvian Bark, the only specific for Chills and Fever, and that condition of Nervous Prostration and General Debility arising from low vitality and exhaustive diseases, it forms an elegant and agreeable, invigorating Tonic, and purely physiological in its action, that may be taken safely under all circumstances, and in diseased conditions of the body, as it builds up the constitution in the same manner as our daily food. Sold by all Druggists at 25c.

THE GREAT REMEDY FOR CONSUMPTION
 which can be cured by a timely resort to this standard preparation, as has been proved by the hundreds of testimonials received by the proprietors. It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
