

FARMERS READ THIS.—At a meeting of the farmers of S. S. No. 11 Puslinch held on the 2nd inst., at the suggestion of Mr. John Dickie, a resolution was proposed and adopted unanimously adopted to the effect that the farmers of that vicinity will make an effort to suppress in some degree if possible the ravages or rather the propagation of grasshoppers during the ensuing year.—They purpose so far as is possible having recourse to the following means viz, each farmer to plough up his fields that have lain under grass or in sod for a few years, to clean up and cultivate any land that may be but partially cleared in the vicinity of all brush etc, and to raise a flock of turkeys. Will those of other localities that have been troubled by these pests follow suit? Try it, as the cost of the experiment will be small and may be productive of a great benefit.

The Reason Why.
 The reason why the magnificent Retail Grocery Establishments in the Alma Block and on Lower Wyndham Street, belonging to John A. Wood, are so very popular with the intelligent public is because the Goods are all of the best quality. Because the Prices are invariably the lowest. Because the Clerks are courteous and obliging. Because the Stock is the largest to select from. Because the goods are always clean. Because the Weights and Measures are always correct. Because, in fact, the proprietor understands his business, desires to please his customers, makes good use of his capital, and buys for cash in the best markets, and always deals liberally with those who honor his stores with their custom.—These and many other weighty reasons have contributed very largely to make the name of John A. Wood, as connected with the Grocery trade of Guelph, so well known, and his stores so very popular.

Iron in the Blood

PERUVIAN IRON SYRUP
MAKES THE WEAK STRONG.

The Peruvian Syrup, a Protection of the Protocoll of Iron, is so combined as to have the character of an aliment, as easily digested and assimilated with the blood as the simplest food. It increases the quantity of Nature's Own Vitalizing Agent, Iron in the blood, and cures "a thousand ills," simply by Toning up, Invigorating and Vitalizing the System. The enriched and vitalized blood permeates every part of the body, repairing damage and waste, searching out and expelling morbid secretions, and leaving nothing for disease to feed upon.
 This is the secret of the wonderful success of this remedy in curing Dyspepsia, Liver Complaint, Dropsy, Chronic Diarrhoea, Bolls, Nervous Affections, Chills and Fevers, Humors, Loss of Constitutional Vigor, Diseases of the Kidneys and Bladder, Female Complaints, and all diseases originating in a bad state of the blood, or accompanied by debility or a low state of the system. Being free from Alcohol, in any form, its energizing effects are not followed by corresponding reactions, but are permanent, invigorating strength, vigor, and new life into all parts of the system, and building up an Iron Constitution.
 Thousands have been cured by the use of this remedy, from weak, sickly, suffering creatures, to strong, healthy, and happy men and women; and in all cases cannot reasonably hesitate to give it a trial.
 See that each bottle has PERUVIAN SYRUP blown in the glass. Pamphlets Free.
