It was the major who really convert ed the Midway Plaisance when in 1889 at the Paris Exposition he secured for the Wild West exhibition valuable concessions and gave the French the idea of gathering natives from foreign lands for show purposes. He also managed to upset the plans of the French Government for the entertainment of the Shah of Persia and got the latter to attend the Wild West and afterwards shake hands with Col.Cody-something no westerner had then done.

But he has never been worried by an

He has great faith in King Edward, whom, he points out, has hemmed Germany in so that that country is really guessing all the time where it is at. Birks, president of the London Conference, speaking on behalf of that body, "and I think that you as a church have been most fortunate in the past in having such pastors as have ministered to you, but never more than during the past years, while Dr. Rutledge has been your pastor." Rev. J. G. Inkster also bore his tribite to the worth of the retiring pastor, on behalf of the Ministerial Alliance 'Personally," he said, "I am exceedingly sorry to see Dr. Rutledge leaving your church and our city. He is not by any means an average preacher, but far above them. And I am sure the citizens of London would be greatly pleased if he could remain, but unfortunately he is a victim of your system. It is my opinion that when a church gets a pastor it likes, and a pastor comes to care for his people, he should be permitted to remain. We in the Presbyterian Church err in the other direction, and that is one of the reasons why I am such a strong advocate of church union, that we might get some of your system, and you some We wish Dr. Rutledge Godof ours. speed as he goes to take up his new charge. Lagos, British West Africa June 23.

The native chief of the town of Oyo in Niagasca, who recently expelled the Rev. S. D. It appears that the chief's objection to Mr. Pinnock arose from the latter's protests regarding the chief's acts of cruelty in oppressing his people.
