TORONTO BOWLERS LOST THE TROPHY

Two Rinks Were Defeated in the Semi-Finals at Niagara-on-the-Lake.

DOINGS OF LONDONERS

Fine Weather and Good Sport Characterize the Ontario Association's Tournament.

Niagara-on-the-Lake, Ont., July 14.—Two Toronto rinks were defeated in the semi-finals in the trophy competition in the Ontario Bowling Association's tournament at the Queen's Royal here today. F. Tremble's rink of the Caer-Howell went down before W. D. Euler, of Berlin, losing the game in the last end. At the beginning of the last end the Caer-Howell quartette were four up. Mr. Euler and his colleagues placed five close to the jack, and although Mr. Tremble had the last bowl he did not succeed in getting his bowl in close enough. A running shot might have trailed the kittle and changed the appearance of the end, but Mr. Tremble preferred to try a draw. J. R. Code's rink from the Granite Club was defeated by W. R. Turnbull's rink from Brantford. This latter rink has been playing exceptionally good games and is a strong favorite for the finals, which will be played today. In the association and consolation competitions several Toronto rinks are well up. The entries for the singles and doubles closed tonight. A large number have entered and the games will without doubt be contests well worth seeing.

GRAND OLD WESTON ENDS THE LONG WALK

Five Days Behind His Schedule But Walks to a Remarkable Feat.

New York, July 15.—Although taking 105 days and some hours for his walk from the Atlantic to the Pacific Coast five days more than he had allotted for the transcontinental trip, Edward Payson Weston's long walk from this city to San Francisco, which he finished last night, ranks as one of the most notable pedestrian feats ever accomplished. It is the first
