FRENCH NEWSPAPERS CALL FOR ABOLITION OF POLITICS

Want Dictator To Save Country From Ruin or Revolution-Lose Faith in Present Form of Party Government-Declare People Call For Drastic Action.

Associated Press Despatch. | lows up the demand voiced by the Faris, Dec. 13.—The campaign for the Matin. dissolution of parliament and extraconstitutional methods for solving the evolution, dissolution or liquidation, the present financial and economic crisis country is going to take into its own hands the direction of its affairs. If steadily and stealthily for some weeks, appeared for the first time in the open.

when the Matin, in a leading article,

"The The Trance, which has been going on it is affairs. If it is the parliament the parties and their hangers-on who suffer, let us be happy for the fact, for then we point out that flim-flaming is better when the Matin, in a leading article, which was not signed but was given such prominence as implied the removed the management of the management of the make possible "a national government."

aper, says: "We have had enough of Politicians. This country, still bleeding from war wounds, is not ready to face the great adventure of revolution.

This country is the leading all parties and representing all except those that deliberately exclude themselves."

Every sign, the paper says, points to a universal desire throughout the country for the end of politics and the stablishment of a pay congord like "Enough of politics—let a committee
be formed outside of politicians and
comprising staunch and courageous men

country for the end of politics and the
