2 British Calonist The Weekly

WEEKLY COLONIST AND CHRONICLE.

AND CHRONICLE. Tuesday, October 8, 1867

The Colony ought to be Represented at Ottawa.

The Canadian Parliament will meet at Ottawa next month for despatch of to the party, but fortunately having a numbusiness. Among the first matters of Indians who surrounded them were scared off. interest that will come before that body are the admission of this Colony to the family circle of the Confederacy, had ventured but a short distance out on the and the purchase (with an Imperial prairies when the Member of Parliament espied some wolves at a distance, and enthuguarantee) of the Red River country from the Hudson Bay Company. Govsiastically followed them-being mounted on a splendid horse and well armed he feared nothing. When near them, he discovered upon a knoll, not far off, a band of red-skins, ernor Seymour communicated to Lord Monck (the Governor General of the Dominion) the vote of the Legislative who seemed determined to fight, He turned Council in favor of Confederation. his horse, and upon his return to the Whether any answer was received or other members of the little band, the two scouts came in with the information that the not we are unaware; but as his Ex-Indians were increasing in numbers. A cellency, in proroguing the Council, promised the members that as soon as council of war was accordingly held, and it was decided that all should fight to the death. an answer should come to hand he The hostile movements gather surprised the would call them together and lay it Indians at a distance, and they discreetly before them, we presume no answer has yet reached his Excellency. moved off, leaving their enemy out of danger, and willing candidates for more congenial quarters. We gather, however, from the tone of

Hon Mr Tilley's letter, that the Cana-THE MUNICIPAL ELECTION .- The election dian Government is warmly in favor for Mayor and Councillors of this city will be of our admission, and that the quesheld on the 9th proximo. The votes of all tion will come, as a Government ratepayers-whether foreigner or subjectmeasure, before Parliament immes will be accepted, a circumstance that will increase the interett of the contest. We diately after it shall have assembled. believe it has been decided by the Cor-The introduction of the measure into poration that all persons whose rates are not Parliament will not insure its passage; paid on or before the 30th instant will be and we entertain a fear that, except debarred from voting, so that the defaulters the wishes and views of the colonists had better not delay any longer than that are represented by some person com-petent to point out the resources and capabilities of the Colony, as well as 700. For the position of Mayor three proto arrange the terms (subject to popubable candidates are mentioned, viz : Hon lar ratification here) upon which we W J Macdonald, present incumbent, Lumley are to be admitted, the matter Franklin and George Pearkes, Esqs ; but we may hang fire this session and the are not aware that either gentleman has Colony be left out in the cold for at signified his intention of coming forward. least two weary years to come. So de-

MR. BIRCH was at Quebec on August 31, plorable a result may easily be averted, He had an interview with Lord Monck, and and little difficulty need be exper we are not surprised to learn from our New rienced in overcoming any prejudice Westminster cotemporates that the Goveragainst us that may exist in the minds nor General, after the interview had closed of some of the honorable members, if saw great practicable difficulties in the way over the surface of the water. The creek a proper person—one having a pecu, niary interest in the Colony and pos-sessing the confidence of British Calumbians—were selected to act as unpaid representative at the capital of the Confederacy. The representative the Confederacy. The representative, for a few more years in their snug berths.

be confined to stating the terms under Government. which he believes we are prepared to POLICE COURT .- Cook vs McIntosh-Sum vessel draws 26 feet of water ; and Capt.

enter the Confederacy, and in explain-ing the position of affairs here. A proposition could then be made by the Canadian Parliament, and it would remain for our people to accept or re-diction. The magistrate held that he had ject it. We should be bound to no par- no jurisdiction, and said h had granted

ticular course or line of policy-we the summons at the instance of the plaintiff, merely express a desire to join the at the same time informing him that should Confederacy, and ask the price we are the objection be raised it would be fatal. It

A MEMBER OF PARLIAMENT HAS AN ADVEN- (ALL COMERS MATCH .- The rifle match for TURE WITH INDIANS .- The Chicago Iribune all comers will commence this morning at of August 7th says : Thomas Cave, M. P. for the rifle range of the Volunteers at 12 o'clock Barnstaple, returned to this city on Monday sharp. A sweepstakes will be contested for at afternoon from a jaunt to the Union Pacific each of the four ranges, two, three four and Railroad, many miles west of Omaha. At five hundred yards, and the highest (total) Julesburg, a wild spot, almost without civil- score will . win the purse. A good deal of ization, Mr Cave accepted of an invitation to interest is manifested in the affair.

ization, Mr Cave accepted of an invitation to participate in an antelope hunt, tendered him by Col: Carlin, Commandant of the post. The hunt came very near proving disastrous The hunt came very near proving disastrous The hunt came very near proving a pumparties, etc., which will be thrown open on Saturday evening. We also notice that Mr Brown has led water from a distant spring to his door for the accommodation of the public. Brown deserves success.

THE LEVIATHAN returned from the Sandheads last evening. A report was in cir-culation that the channel has snifted greatly since the last survey was made. One of our New Westminster cotemporaries thinks that even the Isabel would ground on the heads.

SHOOTING MATCH .--- We learn that a shooting match has been arranged between Mr Gerow, of this city, and an old bunter, for \$200 a-side, to come of on the 1st cf Novem-ber. Distance 150 yards, each contestant to be allowed fifteen shots. be allowed fifteen sh

THE assignces' sale of Wilson & Murray's stock came off yesterday. Mr Backus, in Mr McCrea's absence, officiated as auction-eer. A large crowd was in attendance and the bidding was spirited. The sale proved highly successful.

SUICIDE .- Wm Nickles, a native of Mas-

sachusetts, confined in jail for insanity, hung himself to the bars of his cell on Saturday lastat New Westminster
