Part of Crew Heard From-Others Still Missing-The Vessel Abandoned.

Merchantmen En Route From Liverpool-Lumber for India-The "Victoria's" Cargo.

The Spreckels tug Fearless, now in Puget Sound, may be sent after the British tramp steamer Linlithgow which | Military Rifle League have arrived from across the Kansas line he had out of left San Francisco some months ago with a cargo of barley valued at \$77,575, and Regiment that took part in the league ing him that he could not obtain when the mate put into Acajutia in one matches during the past summer. of the ship's boats soon after and reported the steamer in distress but little notice was taken of it. The mate, howgow had been abandoned. A boat's crew with thirteen men on it is missing. vessel and cargo are worth over \$200.000. so should the Fearless succeed in picking her up there will be a small fortune for the owners of the tug. The Fearless takes on 250 tons of coal at Nanaimo, and when she reaches the Golden Gate

EN ROUTE FROM LIVERPOOL. due is the British ship Manx King, now due is the British ship Manx King, now last days at sea, her local agents being Robt. Ward & Co., Ltd., and Evans, Coleman & Evans. The others of the over entertained at Carey Castle last evening by His Honor the Lieutenant-last decided to put his horse up at auction at the big horse sale which takes place two weeks after the horse Pass of Balmaha, consigned to R. P. Governor and Mrs. Dewdney: His Rithet & Co., Ltd., and the British ship Waterloo, on berth for Robert Ward & Miss Perrin, Sir Charles Hibbert Tup-Co., Ltd. Contrary to custom there are per; Senator, Mrs. and Miss Macdonald; no vessels listed as on berth or having Captain Allen, H. M. S. Satellite; Comno vessels listed as on berth or having sailed from London for this port, and a coal-laden ship from Cardiff and out 80 odd days, makes the only other merchantmen bound in this direction from Great Britain. The comparatively small number is probably due to the high fraight rates. which are increasing fraight rates. which are increasing fraight rates. Which are increasing fraight rates.

WRECKAGE FOUND. A dispatch was received from Lighthouse Keeper Daykin at Carmanah yesterday, stating that a considerable quantity of wreckage had drifted in there. Among it was part of a canoe, an oar and a mahogany door. From the general appearance of the material Mr. Daykin was inclined to believe that it belonged to a sealing schooner, but he failed to find anything that could be identified. The fact that a mahogany door was found sets at rest any uneasiness that might otherwise have been aroused among sealers. Only three of the sealing fleet are yet out, the Sadie Turpel, Mascot and Dolphin, and they have no

such doors as that reported. WHEAT FOR INDIA. The Norwegian steamer Tyr, now at Vancouver, has been chartered by G. W. McNear & Co., of San Francisco, to India. The Tyr will carry 2,800 tons of wheat The call for Washington grain for Calcutta is caused by the shortage of the wheat crop in India this season from drought. Two cargoes have been shipped

from San Francisco this month for Calcutta. FULL CARGO FOR THE VICTORIA. Steamer Victoria, of the Northern Pacific line, scheduled to sail for the Orient the first week in November, and which is | And Will Ask the Court on Friday due here to-day, will have all the cargo she can carry. The freight awaiting her includes 2,000 bales of cotton goods, 50 bales of cotton and a large amount of machinery.
