TUEST'S AT THE ORDARS. WIPP MORALISES ON THE LOT A BACKWOODSMAN.

P. WIPP MORALISES ON THE LOT OF A BACKWOODSMAN.
And Tells the Story of Mr. and Mr. Chickadeedee—The Lady Rippes with a band Wess a Widow.
Base Larg Feb. 20, 1880.
Dear World: Every man reeflots the color of his surroundings in a greaser or lead temperament. That the environments of youth leave an ineffaceable impression on mature age is a fact recognized by the teacher and philosopher of every age and temperament. That the environments of youth, it would be a difficult thing to adult may be influenced by the induction into characteristics of y to what extant and in what direction is a character of an adult may be influenced by the irroumstances of time and place. I difficult thing the consolous of time and place. I difficult thing the irroumstances of time and place. I difficult thing the irroumstances of time and place is a stream here, and by studying the characters and actions of a far as good reeding permits, of the in the black and sequiring information is far as good reeding permits, of the it does in a growded city, consequents did to be freeding permits, of the it does in a growded city, consequents did to be seen and the finer shadings are it does in a growded city, consequents did to be seen and the finer shadings are Excelling All Others. Comparison with finest American Planos Solicited. B. S. WILLIAMS & SON

143 YONGE ST., TORONTO.

as far as good breeding permits, of their antecedents. Individual character stands out in holder relief in the backwoods than it does in a crowded city, consequently idiosynoracies and the finer shadings are more easily detected. For some weeks after I had gone into residence at The Cedars I confess I was rather residers and unsettled. You can't transplant a man, who has spent fourteen years of his life in a bustling city, to the frontier, and make him feel satisfied with the change all at once. He misses the **BIG DRIVE**

intimics terms with me, and Mrs. Deedee confided to me the whole story of their courtship and marriage, and made me the repository of all their domestic tiffs. We had greast times-my breezy little friends and I. Sometimes I used to hunt up a rotten log full of black ants and with a stroke of my axe lay it open and give them a feast that would last them for days. Every Sunday I had them as goests for dinner and sometimes for tea. I never could induce them to come inside? They always took their food-oramba of bread and tiny bits of fresh meat-right in front of my door, but then the talks we had, and the confidences we exchanged They led a most exemplary life, until the arrival about three weeks ago of a stranger in our midst. He was a drummer. I "Oan's you possibly give me a constant trade ?" "No, ma'am," "But I want to please Jos, you see, Just i sell me fifty cents worth of the ware for a dollar and I'll throw in a dozen ages to boot. You see, Jon is a bull on celf-akins, but a bear on tinware, and in this way

James McMurdooh, writing from —James McMurdooh, writing from Kinsale, says:- "B. B. as a remedy for diseases of the blood, liver and kidneys, has an excellent reputation in this locality. I have used it, and speak from experience as well as observation. It is the only medicine I want, and I advise others afflicted to try it." 246 They led a most exemplary life, until the arrival about three weeks ago of a stranger in our midist. He was a drammer, have the was (though he never told me so in plain words), for he could out-taik any ohiekadeedee I ever heard, and could asy more pretty nothings to Madame in fine minutes than Mr. Deedee could ina week. My friends were a hearpitable littly drammer for a week. The npshot was just what I expected. The giddy week that anaty draking-machine, and Deedee, poor little chap, is now a grass-widowers. He would be difficult to have devised to fit a start of a devised in a terrific way at first, and really I sympathized so much with him that I could not chop for a whole do make her home at The Cedare. I this sectary, who me thinks he can persuade to make her home at The Cedare. I wine stale of mere tay mide wores in Sallor Jakier or grave by the enforced idleness and he told me yesterday that there is a integetion erry hope she may. P. Wirp.

OPINIONS OF THE PRESS. ith the seal of the said Corporation, and be signed by the said Mayor and Treasure That the said debentures shall be made payable in forty years from the date of the sue thereof, either in currency or sterling, in this Province, Great Britain, or else-rhere, and shall have attached to them coupons for the payment of interest.

In the

day of

"The Hon. Mr. Morris and the Hon. Oliver Mowat, Premier of Ontario, in expressing their great satisfaction with the able manner in which the company's affairs had been man-aged during the year, also alluded to the benefits conferred by soundly managed Life Insur-ance Companies. This is a branch of the quession which we have often alluded to in these columns. In fact we hold it to be a solemn duty incumbent upon every man not possessed of abundant wealth to provide to the utmost of his ability for those dependent upon him. To the great majority of people the only agency that enables them to perform this sacred duty is a Life Insurance Company, and it is in the highest degree satisfactory to know, that in the North American Life Assurance Company we have a Home Institution under management of gentlemen known from one end of the Dominion to the other and distinguished in the his-tory of the country for their ability and probity, that offers an absolutely safe medium for these desirous of securing the welfare of their families." IV. That the said debentures shall bear interest at and after the rate of four per cent, per annum from the date thereof, which interest shall be payable half-yearly, on the first days of the months of January and July in each year, at the place where the said debentures are made payable, in this Province, Great Britain or sizewhere, as aforesaid.

those desirous of securing the welfare of their families." "The annual report of this vigorous and progressive life company being an exceptionally good one, it affords us pleasure in directing attention to it. Notwithstanding the prevailing depression is trade the result of the year's business has been most satisfactory, and should be specially gratifying to its directors, policy-holders and all those who take an interest in the success of Canadian institutions. The record of the North American since its organization based on the state of continuous progress—its growth having been rapid, persistent and healthy, having, as shown by its report, a interest income than any of its competitors at a like period of their history. The rescons for so large a measure of success we believe to be due to the high their history. The rescons for so large a measure of success we believe to be due to the high their history. The rescons for so large and the promptaces with which it has always paid its claims. We believe we are correct in stating that no claim has ever been contested, its claims. We believe we are correct in stating that no claim has ever been contested, the company is to be congratulated in again being first to report to the Government, their broks were closed 3is the cas and in a part of provide Jan. The original so would initiate the North American in this respect." V. That during forty years, the currency of the debentures to be issued under the instortiy of this By-law, the sum of two thousand and forty dollars (\$2040) shall be also the purpose of forming a sinking fund of three-fourths of one per cent, per annually for the purpose of forming a sinking fund of three-fourths of one per cent, per annually or the payment of the principle of the said lean of fifty-one thousand dollars (\$21,000) a forty years, according to the provisions of the above recited Act, making in all the rates annually as aforesaid, and that a special rate in the dollar upon the assessed value of two thousand four hundred and twesty-two dollars and fifty cents (\$24,22,50) to a farte, and which special rate shall be auficient to produce in each year the said takes, and which special rate shall be and twesty-two dollars and fifty cents of two thousand four hundred and twesty-two dollars and fifty cents and taxes, and which special rate shall be sufficient to produce in each year the said said taxes, and which special rate shall be sufficient to produce in each year the said sundred and eighty-six to the year one thousand nine hundred and twenty-five, both years inclusive, unless the said debentures shall be some paid, for the garpose of anying the said sum of \$51,000, with interest thereon, as aforesaid.
